### Requirements for the B.A. with a major in ART EDUCATION

Art Education majors who wish to be recommended for a state teaching certificate must complete the requirements for the major in Art Education and the requirements for admission, retention, and completion of a UK educator preparation program in the College of Education section of this Bulletin.

The Art Education Program Faculty, the College of Education Director of Academic Services and Teacher Certification, the University Registrar, and in the case of graduate level programs, the UK Graduate School Dean, are charged with the responsibility of monitoring a student’s progress through educator preparation programs. The Director of Academic Services and Teacher Certification recommends to the Kentucky Education Professional Standards Board (EPSB) that a successful candidate be awarded a state educator license (certificate).

### Continuous Assessment in the Art Education Program
Students’ progress through the art education programs is continuously monitored, assessed, and reviewed. In addition to regular evaluation in conjunction with their program course work and field placements, students will be assessed three times in their art education program:

1. **Teacher Education Program (TEP).** Students who desire to declare an Art Education major will demonstrate their progress in the Foundations Program and commitment to advanced undergraduate study through an application to the TEP. If students must demonstrate that they have earned at least 60 credit hours and meet the criteria put forth by the College of Education by filling out the College of Education TEP application form. Upon meeting those criteria, applicants then have a portfolio review and interview with art education faculty to determine entry into the program. The TEP criteria include:
   - Total academic record. A minimum overall grade-point average of 2.75 is required.
   - Performance on required tests measuring proficiency in writing, reading, and math.
   - Record of completed preprofessional course work, experiences, and awards.

2. **Mid-Level review.** No later than the semester prior to student teaching, students will demonstrate that they meet the criteria put forth by the art education faculty by submitting the materials required for review by the art education faculty.

3. **Student Teaching.** The final assessment is made by the two cooperating public school teachers who supervise the student, and by the observation assessments of the University student teaching supervisor.

See [www.kyepsb.net/](http://www.kyepsb.net/) for the current list of PRAXIS examination requirements for P-12 Art certification.

Upon being recommended for a Kentucky Teaching License (certificate), a candidate will be issued a Kentucky Letter of Eligibility for the Kentucky Teacher Internship Program. Upon employment in a Kentucky P-12 school, the candidate will receive a one-year license to practice as a fully qualified intern Art teacher. After successfully completing the intern-
Requirements for the B.A. with a major in ART HISTORY & VISUAL STUDIES

This degree offers its majors a solid foundation in the art and visual cultures of Africa, Asia, and the Western tradition, with advanced courses that present differing approaches to both art history and visual studies. A major in Art History & Visual Studies provides a solid liberal arts education with a strong emphasis on skills in visual literacy, critical thinking, problem solving, and written and oral communication that are required for virtually any career path. The program also equips majors with advanced skills in visual analysis and research.

All majors are required to take a shared art history core of 15 credits. In consultation with their advisor, majors organize their upper-division course work around one of two options: art history or visual studies.

Any student earning a Bachelor of Arts (B.A.) degree must complete a minimum of 39 hours at the 300 or above level. Depending on the option selected, at least 27 of the 39 hours are completed by the major requirements. However, students should keep this requirement in mind as they select their courses.

A-H 301 Cross-Cultural Topics in Art History & Visual Studies (Subtitle required) ........................................ 3

Option in the Major (select one)
Both of the options in the major assume a sound knowledge of art history and visual studies provided by the shared curriculum core. Each requires upper-division art history courses and courses in one or more cognate disciplines. Majors should consult with their advisor in the Art History & Visual Studies program to select the path that best serves their future goals.

Art History Option
(33 credit hours)
This option focuses on the development of the visual arts, particularly on the histories of artworks within a broad liberal arts tradition. Students study artistic images, objects, complexes and events representing diverse cultures within a global context. It provides majors with historical, methodological, and theoretical knowledge to interpret visual forms as expressions of historical periods and cultural values.

The discipline of art history puts strong emphasis on the acquisition of skills in written and oral communication, foreign language comprehension, critical reading, and problem solving, all leading to the pursuit of independent scholarship. These are skills useful for virtually any career path, including law and international business. However, this option specifically prepares majors to pursue post-graduate studies in art history, curatorial studies, and related humanistic disciplines, leading to careers in academia, arts administration, visual resource management, museum and curatorial professions, and similar fields.

Students who have selected the Art History option are required to take A-H 105, World Art Before 1400, which is offered as a premajor requirement option.

Foreign Language (6-7 credit hours)
Complete one of the following sequences beyond the UK foreign language requirement:

Option A: Successful completion of the fourth college semester of one foreign language, German or French recommended. (Note: This may be accomplished by scoring at this level on a placement test for previous work in the foreign language.)

Option B: Successful completion of the third college semester of one foreign language and the second college semester course of a second language. (Note: Either or both may be accomplished by scoring at the appropriate level on
a placement test for previous work in the foreign languages selected.)

Option C: Demonstrate equivalent competence. Students for whom English is a second language, for instance, may use their native language to fulfill this requirement.

Upper-Division Art History & Visual Studies Courses (12 credit hours)
Select one of the following courses designed to provide students with direct experience with the art object through either a museum practicum or appropriate course offering:
A-H 399 Experiential Education in Art History & Visual Studies ........................................... 3
A-H 501 Museum Studies I: Introduction .......................................................... 3
A-H 502 Museum Studies I: Internship .......................................................... 3
A-H 504 Practical Issues in Art History (Subtitle required) .......................................................... 3

Plus at least three Art History & Visual Studies courses at the 300 level or above, of which at least two must be from the seminars listed below. To fulfill the requirement, students must select two different seminar numbers (not the same seminar number with different subtitles). These courses provide students with differing perspectives and approaches to the study of the visual arts. Courses may explore interdisciplinary aspects of art history and visual studies, concentrate on an in-depth study of a specialized topic or period, or provide other frameworks beyond the traditional canon.
A-H 524 Theory and Methods (Subtitle required) .......................................................... 3
A-H 525 Studies in Genres and Media (Subtitle required) .......................................................... 3
A-H 526 Art and the Artist in Society (Subtitle required) .......................................................... 3

A-H 528 Topical Seminar in Art History & Visual Studies (Subtitle required) .......................................................... 3
A-H 529 Topical Seminar in Architectural or Design History (Subtitle required) .......................................................... 3

Cognate Courses (15 credit hours)
Students must complete 15 hours in courses identified in consultation with their advisors to provide context or address skills related to their course work in art history and visual studies. Such courses can come from – but are not limited to – anthropology, art studio, arts administration, classics, history, history of film, history of interior design, history of theatre, literature, music, aesthetics or philosophy. Foreign language courses over and above the foreign language requirement for the art history option are also encouraged.

Capstone Course (3 credit hours)
Students will demonstrate a broad knowledge of art history and visual studies as well as skills in research and written and oral communication.
A-H 555 Methods in Art History & Visual Studies .......................................................... 3

Electives
In addition, students must choose 21 hours of free electives.
Subtotal: Electives .......................................................... 21

TOTAL HOURS: .......................................................... 21

Visual Studies Option (33 credit hours)
This option offers majors a broad interdisciplinary selection of courses and methodologies from the arts, design, humanities, social sciences, and sciences. Visual studies deal with all aspects of culture that communicate through visual means, from paintings and film to advertising and websites. Students who choose this option may pursue further training leading to emerging careers in the “creative economy”, especially those involved with the creation, curation, dissemination, manipulation and retrieval of images. They may also pursue graduate work in visual studies, curatorial studies, cultural studies, and film studies.

Students who select the Visual Studies option are required to take A-H 101, Introduction to Visual Studies, offered as an option for the premajor requirement.

Foreign Language
The UK foreign language requirement satisfies the Visual Studies option. The requirement states that any first-year freshman or transfer student must demonstrate that they have completed two high school credits in a single foreign language, or two semesters at the postsecondary level. A student who has not completed the high school foreign language requirement will be required to take a two-semester foreign language at UK prior to graduation.

Upper-Division Art History & Visual Studies Courses (12 credit hours)
Select four of the following. To satisfy this requirement, courses must have a different subtitle from those used to satisfy the shared curriculum core, or cognate requirements:
A-H 300 Topics in Art History & Visual Studies (Subtitle required) .......................................................... 3
A-H 301 Cross-Cultural Topics in Art History & Visual Studies (Subtitle required) .......................................................... 3
A-H 350 Contemporary Art and Visual Studies (Subtitle required) .......................................................... 3
A-H 360 Visual Culture of Politics .......................................................... 3

A-H 528 Topical Seminar in Art History & Visual Studies (Subtitle required) .......................................................... 3
A-H 529 Topical Seminar in Architectural or Design History (Subtitle required) .......................................................... 3

Cognate Courses (21 credit hours)
Students must complete 21 hours in courses identified in consultation with their advisors that have a significant visual component, and do not have an A-H or ART prefix. These courses will have topics associated with visual or material culture, visual analysis, or aesthetics, and can come from areas such as – but not limited to – visual or material anthropology, art, architecture and design, film studies, and fashion studies. At least three of these courses must be at the 300 level or above; students should bear in mind that some of the courses may have prerequisites. No more than three cognate courses may be in the same practice-based area of study (such as art studio, architecture studio design, arts administration, or communication).

The minor in Art History focuses on the development of the visual arts, particularly of the histories of “high” or “fine” art, within a broad liberal arts tradition. College of Fine Arts

University of Kentucky 2019-2020 Undergraduate Bulletin 277
The Undergraduate Certificate in Baroque Trumpet develops performance and interpretation skills for the natural trumpet. The Baroque Trumpet is a valveless ancestor of the modern valved trumpet. It reached its zenith during the Baroque era, and today is once again becoming an important instrument in the fields of music performance, musicology, and music education. Already in many parts of Europe, it is expected that performances of music written prior to the 19th century be played on the valveless natural (“Baroque”) trumpet, and this is now a growing field in the United States. Students will examine the stylistic aspects of Baroque music through (a) a study of primary sources from the Baroque era; (b) study of prominent secondary sources on Baroque interpretation; and (c) preparation and performance of music from the Baroque era on the natural trumpet. This certificate may be earned concurrently with an undergraduate degree, as an additional (second) program of study if the student is a current degree seeking student or a post-baccalaureate student. This certificate may be earned as the primary (first) program of study only if the student is non-degree seeking or is a post-baccalaureate student who is not pursuing any other credential.

Requirements for Admission
- Students must audition for admission into the UK School of Music and be accepted;
- students must audition for Faculty Director on the Baroque Trumpet; and
- students must own a Baroque trumpet.

The curriculum for the Undergraduate Certificate in Baroque Trumpet consists of 15 credit hours as follows:

- *MUP 322 Historical Instruments 3
- *MUP 422 Historical Instruments 3
- MUS 395 Independent Work in Music 1
- MUC 171 Brass Ensemble (1 credit per semester for a minimum of two semesters) 2
- MUS 203 History of Music I 3
- MUS 302 History of Music II 3

*Students must complete a public jury performance each semester they are enrolled in MUP 322 or MUP 422.

Undergraduate Certificates in Musical Theatre

The Department of Theatre and Dance and the School of Music in the College of Fine Arts offer an undergraduate interdisciplinary Certificate in Musical Theatre. By combining the efforts and resources of the Department of Theatre and Dance and the School of Music, students are able to take the breadth of course work necessary for a fundamental experience in musical theatre. The course work includes acting, dance, voice, and musical theatre techniques. This certificate will provide desired course work as well as performance opportunities for undergraduate students.

The course work in the certificate is designed to use the strengths of each unit and supplement them with course work from the other units. For example, music students don’t need additional voice work, but they do need training in acting and dance in order to be educated in musical theatre. Theatre students have access to both acting and dance classes, but lack sufficient preparation in voice and music for musical theatre. The Certificate provides an interdisciplinary bridge between the two programs.

Upon completion of the Musical Theatre Certificate, students will be able to:

- apply and exhibit proficiency in vocal technique within the forms and styles of the musical theatre canon
- apply and exhibit proficiency in diverse acting techniques and styles necessary for the forms and styles of musical theatre
- apply and exhibit proficiency in diverse dance techniques and styles necessary for the forms and styles of musical theatre
- synthesize acting, singing, and dancing in a musical theatre performance

Applying to the Program

Students audition in April during the spring semester to enroll and be accepted into the Certificate program. Students participate in a dance audition, and perform a short monologue and section of a song for the selection process. This process is similar to one that students can be expected to perform and compile as their audition material for any local, regional, or national musical theatre performance opportunity.

Students entering the Certificate Program must have a 3.0 GPA in their major course work.

Musical Theatre Certificate for Voice Majors

The Musical Theatre Certificate for Voice Majors provides an opportunity for theatre majors to enhance a specific set of skills and techniques required for musical theatre performance, enriching their undergraduate experience and course work in their primary degree program.
