Continuous Assessment in the Art Education Program

Students’ progress through the art education programs is continuously monitored, assessed, and reviewed. In addition to regular evaluation in conjunction with their program course work and field placements, students will be assessed three times in their art education program:

1. **Teacher Education Program (TEP).** Students who desire to declare an Art Education major will demonstrate their progress in the Foundations Program and commitment to advanced undergraduate study through an application to the TEP. In this application, students must demonstrate that they have earned at least 60 credit hours and meet the criteria put forth by the College of Education by filling out the College of Education TEP application form. Upon meeting those criteria, applicants then have a portfolio review and interview with art education faculty to determine entry into the program.

   The TEP criteria include:
   - Total academic record. A minimum overall grade-point average of 2.75 is required.
   - Performance on required tests measuring proficiency in writing, reading, and math.
   - Record of completed preprofessional course work, experiences, and awards.

2. **Mid-Level review.** No later than the semester prior to student teaching, students will demonstrate that they meet the criteria put forth by the art education faculty by submitting the materials required for review by the art education faculty.

3. **Student Teaching.** The final assessment is made by the two cooperating public school teachers who supervise the student, and by the observation assessments of the University student teaching supervisor.

State Mandated Testing and the Kentucky Teacher Internship

Successful completion of the examinations required by the Kentucky Education Professional Standards Board is a precondition for the granting of a teaching license (certificate). See www.kyepsb.net for the current list of PRAXIS examination requirements for P-12 Art certification.

Upon being recommended for a Kentucky Teaching License (certificate), a candidate will be issued a Kentucky Letter of Eligibility for the Kentucky Teacher Internship Program. Upon employment in a Kentucky P-12 school, the candidate will receive a one-year license to practice as a fully qualified intern Art Teacher. After successfully completing the internship year, the candidate will be eligible for a regular Kentucky Professional Teaching License (certificate).

Information concerning licensure in other states is available from the office of Academic Services and Teacher Certification in the College of Education.

An student earning a Bachelor of Arts (B.A.) degree must complete a minimum of 39 hours at the 300 or above level. Depending on the option selected, at least 27 of the 39 hours are completed by the major requirements. However, students should keep this requirement in mind as they select their courses.

This option offers majors a broad interdisciplinary selection of courses and methodologies from the arts, design, humanities, social sciences, and sciences to study the uses to which people put the visual and the place of the visual within the context of the culture as a whole. Visual studies examine production and consumption of images and events in diverse cultures and within a global context.

Students who choose this option may pursue further training leading to emerging careers in the “creative economy”, especially those involved with the creation, dissemination, manipulation and retrieval of images. They may also pursue graduate work in visual studies, cultural studies, and film studies.

Students who select the Visual Studies option are required to have taken A-H 101, Introduction to Visual Studies, offered as an option for the premajor requirement.

Foreign Language

The UK foreign language requirement satisfies the Visual Studies option. The requirement states that any first-year freshman or transfer student must demonstrate that they have completed two high school credits in a single foreign language, or two semesters at the postsecondary level. A student who has not completed the high school foreign language requirement will be required to take a two-semester foreign language at UK prior to graduation.

Upper-Division Art History & Visual Studies Courses (12 credit hours)

Select four of the following. To satisfy this requirement, courses must have a different subtitle from those used to satisfy the shared curriculum core, or cognate requirements:

- A-H 300 Topics in Art History & Visual Studies
  (Subtitle required) ............................................. 3
- A-H 301 Cross-Cultural Topics in Art History

Cognate Courses (21 credit hours)

In consultation with their advisors, students must identify and propose courses relevant to visual studies that do not have an A-H prefix. At least three of these course selections must be at the 300 level or above; students should bear in mind that some of the courses may have prerequisites. No more than three cognate courses may be from one discipline (ENG, A-S, ANT, etc.).

Capstone Course (3 credit hours)

At least one capstone course in Art History & Visual Studies will be offered each semester and so designated in the Schedule of Classes. Undergraduate Certificate in Baroque Trumpet

The Undergraduate Certificate in Baroque Trumpet develops performance and interpretation skills for the natural trumpet. The Baroque Trumpet is a valveless ancestor of the modern valved trumpet. It reached its zenith during the Baroque era, and today is once again becoming an important instrument in the fields of music performance, musicology, and music education. Already in many parts of Europe, it is expected that performances of music written prior to the 19th century be played on the valveless natural (“Baroque”) trumpet, and this is now a growing field in the United States. Students will examine the stylistic aspects of Baroque music through (a) study of primary sources from the Baroque era; (b) study of prominent secondary sources on Baroque interpretation; and (c) preparation and performance of music from the Baroque era on the natural trumpet. This certificate may earned concurrently with an undergraduate degree, as an additional (second) program of study if the student is a current degree seeking student or a post-baccalaureate student. This certificate may earned as the primary (first) program of study only if the student is non-degree seeking or is a post-baccalaureate student who is not pursuing any other credential.

Requirements for Admission
- Students must audition for admission into the UK School of Music and be accepted;
- students must audition for Faculty Director on the Baroque trumpet; and
- students must own a Baroque trumpet.

The curriculum for the Undergraduate Certificate in Baroque Trumpet consists of 15 credit hours as follows:

*MUP 322 Historical Instruments .......................... 3
*MUP 422 Historical Instruments .......................... 3
MUS 395 Independent Work in Music ...................... 3
MUC 171 Brass Ensemble (1 credit per semester for a minimum of two semesters) ..................... 2
MUS 203 History of Music I ................................. 3
MUS 302 History of Music II .............................. 3

*Students must complete a public jury performance each semester they are enrolled in MUP 322 or MUP 422.

Undergraduate Certificates in Musical Theatre

The Department of Theatre and Dance and the School of Music in the College of Fine Arts offer an undergraduate interdisciplinary Certificate in Musical Theatre. By combining the efforts and resources of the Department of Theatre and Dance and the School of Music, students are able to take the breadth of course work necessary for a fundamental experience in musical theatre. The course work includes acting, dance, voice, and musical theatre techniques. This certificate will provide desired course work as well as performance opportunities for undergraduate students.

The course work in the certificate is designed to use the strengths of each unit and supplement them with course work from the other unit. For example, music students don’t need additional voice work, but they do need training in acting and dance in order to be educated in musical theatre. Theatre students have access to both acting and dance classes, but lack sufficient preparation in voice and music for musical theatre. The Certificate provides an interdisciplinary bridge between the two programs.

Upon completion of the Musical Theatre Certificate students will be able to:
- apply and exhibit proficiency in vocal technique within the forms and styles of the musical theatre canon
- apply and exhibit proficiency in diverse acting techniques and styles necessary for the forms and styles of musical theatre
- apply and exhibit proficiency in diverse dance techniques and styles necessary for the forms and styles of musical theatre
- synthesize acting, singing, and dancing in a musical theatre performance

Applying to the Program

Students audition in April during the spring semester to enroll and be accepted into the Certificate program. Students participate in a dance audition, and perform a short monologue and section of a song for the selection process. This process is similar to one that students can be expected to perform and compile as their audition material for any local, regional, or national musical theatre performance opportunity.

Students entering the Certificate Program must have a 3.0 GPA in their major course work.

Musical Theatre Certificate for Voice Majors

The Musical Theatre Certificate for Voice Majors provides an opportunity for theatre majors to enhance a specific set of skills and techniques required for musical theatre performance, enriching their undergraduate experience and course work in their primary degree program.

Requirements for the Musical Theatre Certificate for Voice Majors

The certificate in musical theatre for voice majors requires 15 credits, including the following:

TA 348 Musical Theatre Technique ........................ 3
TAD 147 Beginning Musical Theatre Dance ............... 2
TAD 347 Advanced Musical Theatre Dance ............... 2
TAD 243 Jazz Dance II ........................................... 2
TAD 242 Ballet II .................................................... 2

DEPARTMENT OF THEATRE AND DANCE

Our program of study emphasizes the intersection of practice and theory and is geared toward students who are interested in theatre and dance as part of a liberal arts education. Students create a program that is unique to their interests and strengths, with freedom to choose between a wide variety of electives to complete a truly individualized course of study. Theatre courses emphasize the collaborative nature of the art form, which encompasses performance, literature, design, history, artistic community, and intellectual rigor. Dance courses enhance critical thinking and analytical skills, cooperation and teamwork, self-expression and self-esteem, organization and problem solving, and cultural literacy. They also provide integral skills for theatre and opera students who want to market themselves as versatile performers.
