The Department of Linguistics offers an interdisciplinary curriculum designed to develop an understanding of the nature and implications of human language. The Linguistics Department provides solid foundations in phonological and grammatical analysis, as well as opportunities to investigate the social, cultural, psychological, and physical aspects of language use.

120 hours (minimum)
Any student earning a Bachelor of Arts (BA) degree must complete a minimum of 39 hours at the 300+ level. These hours are generally completed by the major requirements. However, keep this hour requirement in mind as you choose your course work for the requirements in the major. See the complete description of College requirements for a Bachelor of Arts degree in the Arts and Sciences section of the 2018-2019 Undergraduate Bulletin.

UK Core Requirements
See the UK Core section of the 2018-2019 Undergraduate Bulletin for the complete UK Core requirements. The courses listed below are (a) recommended by the college, or (b) required courses that also fulfill UK Core areas. Students should work closely with their advisor to complete the UK Core requirements.

I. Intellectual Inquiry in Arts and Creativity
Choose one course from approved list ................................................................. 3

II. Intellectual Inquiry in the Humanities
Choose one course from approved list ................................................................. 3

III. Intellectual Inquiry in the Social Sciences
Choose one ANT or SOC course from approved list ............................................ 3

IV. Intellectual Inquiry in the Natural, Physical, and Mathematical Sciences
Choose one course from approved list ................................................................. 3

V. Composition and Communication I
CIS/WRD 110 Composition and Communication I ................................................ 3

VI. Composition and Communication II
CIS/WRD 111 Composition and Communication II ............................................. 3

VII. Quantitative Foundations
Choose one course from approved list ................................................................. 3

VIII. Statistical Inferential Reasoning
Choose one course from approved list ................................................................. 3

IX. Community, Culture and Citizenship in the USA
LIN 311 Language in U.S. Society ........................................................................ 3

X. Global Dynamics
Choose one course from approved list ................................................................. 3

UK Core hours ........................................................................................................ 30

Graduation Composition and Communication Requirement (GCCR)
LIN 222 Introduction to Linguistics II: Language in Context ................................ 3

Graduation Composition and Communication Requirement hours (GCCR) .......... 3

College Requirements
I. Foreign Language (completed by Premajor Requirements)
II. Disciplinary Requirements
   a. Natural Science ............................................................................................. 6
   b. Social Science ............................................................................................... 6
   c. Humanities (completed by Major Requirements)
III. Laboratory or Field Work ............................................................................. 1
IV. Electives ........................................................................................................... 6

College Requirement hours: ................................................................. 19

Premajor Requirements
Complete the third and fourth semesters of a foreign language (or the equivalent) ................................................................. 6-8

Premajor hours: .............................................................................................. 6-8

Major Requirements

Major Core Requirements
LIN 221 Introduction to Linguistics I: Theoretical Foundations and Analysis ........ 3
LIN 222 Introduction to Linguistics II: Language in Context .............................. 3
plus four major area courses:
LIN 500 Phonetics ............................................................................................. 3
LIN 505 Linguistic Morphology ........................................................................... 3
LIN 512 Analysis of English Syntax .................................................................... 3
LIN 515 Phonological Analysis ........................................................................... 3
plus fifteen additional hours of LIN courses of which six (6) or more must be at the 500 level and distinct from the major area courses .............................................. 15

Major Core hours: ........................................................................................... 33

Other Course Work Required for the Major
For the related component:
Choose 15 hours of additional courses relevant to the major chosen from the following prefixes, or courses approved by the Director of Undergraduate Studies:
AIS, ANT, APP, BIO, CHI, CLA, COM, CS, CSD, ENG, FR, GEO, GER, GWS, HIS, HJS, ICT, INT, ISC, ITA, JOU, JPN, LAS, MA, MCL, PHI, PS, PSY, RUS, SOC, SPA, STA, TSL, WRD (200-level or above)

Other Major hours: ........................................................................................... 15

Electives
Choose electives to lead to the minimum total of 120 hours required for graduation ................................................................. 9

Total Minimum hours Required for Degree .................................................... 120
