**Living Accommodations**

**APPLYING FOR HOUSING**

The University’s Housing Assignments Office processes housing applications, assigns residence hall rooms, and Living Learning Programs (LLP) and notifies students of assignments.

It is important to note that applying for admission to the University and applying for University housing and LLC are separate processes. Acceptance for one does not guarantee acceptance for the other. Also, applying for housing does not guarantee that you will be assigned housing. New freshmen who apply for housing prior to May 1 can be reasonably sure that housing will be available when they enter school the following fall.

Students can be disappointed when they do not obtain a University housing assignment due to late submission of the housing application. It is recommended that students apply for housing as soon as they are accepted to UK.

**LIVING ON CAMPUS**

The University of Kentucky has 16 traditional residence halls and six premium residence halls designed as semi-suites, providing single and double occupancy rooms for 5,000 students, about one-fourth of the student population.

The residential setting at UK is intended to contribute to a student’s education by providing a learning environment. There are several living learning communities within undergraduate housing. For more information about each living-learning community, visit the Living Learning Program Web site at: www.uky.edu/Housing/undergraduate/lp2.html.

UK’s residence halls are the foundation upon which a solid college experience is built. Many current students believe that living in a residence hall is the best way to make friends, meet new people, and become involved in campus life. Studies on UK’s campus indicate that students who live on campus, particularly those in Living Learning Programs, tend to have higher grade-point averages than students living off campus.

UK’s residence halls are staffed with professionally trained personnel, including resident advisors who live on each floor. The hall director and resident advisors assist in creating a safe, inclusive environment, helping students in their academic efforts, planning social and educational programs, and developing hall governments. Residents are encouraged to participate both within the hall and in the community.

All on-campus undergraduate residents are represented by the Resident Student Association, a group whose goal is to improve residence hall life by planning and directing social, educational, and recreational programs, and by providing a unified voice for residents. The Resident Student Association is a member of the National Association of College and University Residence Halls (NACURAH, INC.), enabling interested residents to attend regional and national leadership conferences.

**Room Assignments**

Room assignments are determined by the date the completed housing application and housing contract are both received in the Campus Housing Office. Living Learning Program participants are assigned to the residence hall that houses their program.

If housing demand exceeds capacity, students may be placed on standby for housing until a permanent room assignment can be made. Each year, a number of housing recipients do not come to school, or come but do not stay, creating vacancies.

**Roommates**

Students may request roommates of the same gender on the housing application. Two students who wish to share a room must indicate each other as the preferred roommate, request the same residence halls, and submit applications within 30 days of each other. Living Learning Program participants will be assigned with other students in the same program. Unfortunately we cannot accommodate Living Learning Program students requesting students outside of their LLP.

**RESIDENCE HALLS**

UK’s residence halls have many attractive features. Housing rates include utilities, cable television, computer network connection and furniture. All residence halls are staffed by hall directors and resident advisors. Each front desk has a staff member monitoring the lobby area 24/7. Closed-circuit television systems are placed in many areas of the halls. Residence halls provide convenient access to laundry facilities, game and television rooms, vending machines, lounges, and study rooms. Dining facilities are close to all areas of campus. Smoking and other tobacco products are not allowed on UK’s campus. UK Housing policies and procedures apply to all residents who sign a contract and live in one of the residence halls or Greek facilities managed by the University.

UK’s campus covers many acres. Students and faculty refer to the three major areas of campus as “north neighborhood,” “central neighborhood” and “south neighborhood.” UK’s residence halls are located in all three areas.

Students should read about each hall and learn about the facilities and the various living-learning communities available.

**North Neighborhood**

The north neighborhood consists of six residence halls: Holmes, Jewell, Keeneland, Patterson, Blazer, and Roselle Hall. North neighborhood includes a dining facility and a convenience store within Blazer Hall. North neighborhood halls are close to many classrooms, Memorial Coliseum, Rupp Arena, downtown and many eclectic shops and restaurants.

**Central Neighborhood**

Central I, Central II and Donovan Hall make up the central neighborhood. These halls are considered centrally located because they are close to many classroom buildings, as well as the William T. Young Library and UK Hospital. The Underground Fitness Center is located in the lower level of Donovan Hall.

**South Neighborhood**

The south neighborhood is comprised of the Kirwan-Blanding Complex, plus three premium residence halls – Baldwin, Smith, and Ingels. These communities are located near the William T. Young Library, the E. J. Nutter Field House and Training Facility, the Hilary J. Boone Tennis Center, Lancaster Aquatic Center, Cliff Hagan Stadium, Bernard Johnson Student Recreation Center, and Commonwealth Stadium.

Office of Residence Life
The mission of the Office of Residence Life is to create inclusive residential communities that promote student learning and personal growth. In order to promote student learning and personal growth, the Office of Residence Life has identified five core values which must be incorporated into all residential communities. These are:

- Safety
- Inclusion
- Service
- Civility
- Academic Achievement

The Office of Residence Life hires and supervises the staff that live and work in the facilities, including Hall Directors, House Directors, Resident Advisors, Office Assistants and Desk Clerks. Each of these staff members receives extensive training in the management of undergraduate housing facilities and can be a valuable resource in meeting any need that a student might have.

The Office of Residence Life also coordinates all the Living-Learning Communities and Residential Colleges on campus. These communities offer students the opportunity to interact more with faculty and access resources related to their academic or other interests.
The cost for living in University Housing is listed in the Fees section of this Bulletin.

**DINING SERVICES**

**Dining Services in Focus**
University of Kentucky Dining Services offers a variety of dining plans to fit your lifestyle with easy access to a variety of food options that are easy on your budget. Your dining plan lets you eat what, when, and where you want. Our facilities are conveniently located all across campus so it’s easy to join your friends for coffee, a meal, or a late evening snack. We offer convenience, variety, and value.

**Focus on Dining Plans**
College can be challenging but eating should be easy so we do all the work. No planning, no shopping, no cooking, and no dishes. Every resident hall student has a dining plan and students not living in a residence hall can have a dining plan or the Big Blue Community Plan that gives them a way to budget and save money. Eating on campus is easier and healthier than off campus.

Students who have dining plans have meals and flex dollars.

**Meals** – specific number per week or semester. Weekly plans have a set number of meals that are available for a week. The block plans offer a set number of meals that are available for the semester.

**Flex Dollars** – work like a debit card using your Student ID and can be used at all campus dining locations.

Students living off campus can choose a dining plan or the Big Blue Community Plan.

Dining plans are great way to budget, save money, and eat on campus. For more information on Dining Plans, visit: [www.uky.edu/DiningServices/](http://www.uky.edu/DiningServices/)
Focus on Nutrition
Professional chefs and nutritionists oversee the development of our menu and grab ‘n’ go items. Fresh milk, meat, produce, and fruits are purchased from local farms that follow the market guidelines of the Department of Agriculture’s Kentucky Proud program, including hormone-free, pesticide free, and without artificial flavors or preservatives. Trans-fat-free oils, low salt, and baked items provide healthier options.
We also offer professional menu consultations for students with special diet restrictions, allergies, or other food-related issues. Students who are ill can have a special comfort meal delivered to their residence hall.

Focus on Convenience
Restaurants and convenience stores are located across campus. All-you-care-to-eat restaurants and convenience stores are located in north and south residence hall complexes; popular franchise locations operate in the Student Center; central campus has restaurants in Patterson Office Tower, Erikson Hall, William T. Young Library, and near Nutter Field; and other locations are near the Chandler Medical Center.
Students also have the option to eat in or grab ‘n’ go at our locations. Carry out is available in all of our restaurants, including all-you-care-to-eat.

Focus on Hours
Our hours of operation include having restaurants open during holidays as well as when the University’s schedule changes due to weather. Changes to the hours of operation at our locations are announced on our Web site and through social media.

Focus on Perks
Dining Services continuously brings new and exciting tastes to campus. In addition, throughout the academic year, we offer theme dinners and special events which feature regional favorites and authentic ethnic dishes from around the world. Low-fat and vegetarian items are also available daily at all campus dining locations. Students can join the Member’s Perks Club and our social networks for more special offers and advance notice of special events.

Focus on Information
Our commitment to education goes beyond the kitchen. Each location has informational pamphlets on a variety of nutritional subjects and we partner with other campus organizations for special programs on understanding portions and nutritional guidelines.
The site www.uky.edu/DiningServices/ offers guidelines for students living off campus to help them stock a kitchen, and plan and create basic meals.

STUDENT PARKING AND CAMPUS BUS SERVICE
Students can access information on topics related to parking, permit application, motorist assistance, bicycle parking, bus schedules, and review our FAQs at www.uky.edu/pts. Periodically, Parking and Transportation Services sends vital information on campus parking and transportation to parents and students who subscribe to Parking E-News, the department’s e-mail newsletter. Stay informed by signing up for Parking E-News at www.uky.edu/pts. UK Parking and Transportation Services is also on Twitter. To follow news on parking and transportation issues on campus, go to http://twitter.com/UKParking.
For questions or for information not found on the Web site, call Parking Services at (859) 257-5757 or (800) 441-0555, or Transportation Services at (859) 257-7202 or (859) 257-6362.

Parking
When parking on campus, students should purchase and properly display a University of Kentucky parking permit. Application information may be found online at www.uky.edu/pts. The temporary convenience of illegal parking is rarely worth the hassle and expense of paying fines and/or vehicle impoundment. All residential (R) and commuter (C) student lots require a valid permit by the Monday before classes begin. Bus service is provided from the stadium (K) lots to central campus. Permit control signs at the entrance to each parking lot display the hours when the lot is controlled for permits. In many lots across campus, signs designate restricted spaces, which are reserved for specific and designated purposes: for example, spaces reserved for residence hall directors and people with disabilities.

Parking for Students with Disabilities
Parking privileges will be granted to qualified students upon completion, acceptance, and approval of an application. The Disability Resource Center, Room 2, Alumni Gym, (859) 257-2754, will assist students with disabilities with the application process. Office hours are 8 A.M. to 5 P.M., Monday through Friday.

Home Football Game Day Parking
Students who park at Commonwealth Stadium must move their vehicles before 9 A.M. on the days of home football games. Additionally, parking is prohibited on University Drive at any time on game days. Failure to move any vehicle from the Stadium parking lots or University Drive may result in a citation and impoundment at the owner’s expense. This includes the K lots, the E parking in the Red and Blue lots, the C6 lot, the Soccer/Softball Complex and the K/E lot next to Greg Page Apartments.
Vehicles may be moved any time after 3:30 P.M. on Friday, and must be moved back by 5 A.M. Monday.
Please refer to the Football Game Day Parking map located at www.uky.edu/pts.

Guest Parking
Family and friends visiting campus during the week may pay to park in Parking Structure #7 (near Kirwan-Blanding), in Parking Structure #5 (next to Kennedy Book Store), or at parking meters. Guests or the students they are visiting may also stop by Parking Services, located in Parking Structure #6 (721 Press Avenue), at the corner of Press and Virginia Avenues, to obtain a temporary parking pass. After hours and on weekends, visitors can also park in lots not controlled for permits. A permit control sign at the entrance to each parking lot displays the hours when the lot is being controlled for permits.

Short-Term Parking
Parking meters are available to allow temporary parking for visitors, employees, and students. Parking meters are located near the UK Bookstore, Funkhouser Building, Seaton Center, and behind Memorial Coliseum. UK parking meters have time limits of either 45 minutes or three hours displayed on the meter post and on the tag inside the meter. The intent of 45 minute meters is to provide short-term parking; they are not intended for students attending class. In addition, certain meters are reserved for specific uses. These meters are identified by signs attached to the meter posts or posted at the entrance to the parking lot.
Living Accommodations

Avoiding Parking Citations and Keeping Vehicles Safe:

- Do not park in fire lanes (red curbs), service areas (yellow and white stripes), loading zones (black and yellow stripes), or otherwise restricted spaces.
- Do not assume that because other cars are parked illegally you may do so.
- Keep vehicles locked at all times with valuables stowed out of sight.

The CATS Bus and Cat Tracker

Students do not pay a fare when riding the Lextran campus buses and the Campus Area Transit System (CATS) shuttle buses; support for these bus services comes from parking permit fees. All Lextran and CATS buses are equipped with wheelchair lifts, and most have bicycle racks. With the exception of the Summer/Break Route, all Lextran and campus routes operate during the fall and spring semesters when UK is in official session.

All students and their guests may ride the Lextran campus buses between central campus, residence halls, and Commonwealth Stadium between 7 A.M. and 6:15 P.M., Monday through Friday. Lextran bus service begins on Wednesday at the start of classes in August and January, and operates on weekdays. The Lextran campus buses run about five minutes apart during peak hours for classes, and about ten minutes apart during off-peak hours.

The University provides additional day and night routes for those areas of campus not served by Lextran. The Red and Blue day routes operate Monday through Friday between 7 A.M. and 6 P.M., with stops every 15 minutes. The Yellow night route operates Monday through Friday, between 6 P.M. and midnight.

PTS knows that’s a lot to keep straight, so they offer the Cat Tracker, a GPS-based bus locating system. Visit uky.transloc.com to see when the next bus is coming to your stop. You can also track the buses via the Transloc iPhone and Android apps, by using your smart phone to scan the QR codes found on each bus stop sign or by using the SMS codes found at each bus stop.

On-demand night service is available for students who need transportation around campus. Students may telephone the driver directly at (859) 221-RIDE (7433) to make pick-up requests. The bus driver will make every effort to accommodate reasonable requests. Calls must be received at least 30 minutes prior to the end of on-demand service. The schedule for on-demand service is:

- Sunday – 7 P.M. - midnight
- Monday-Friday – midnight - 5 A.M.

When the University is open but classes are not in session, the Summer/Break route operates Monday through Friday, from 7:30 A.M. to 6 P.M. with stops every 30 minutes.

Lexington Bus Service

Students who live off campus may find riding a Lextran city bus to and from campus is more convenient and less expensive than parking on campus. Lextran offers the Class Pass, a student pass providing unlimited Lextran rides throughout the city. Class Passes are $75 for the school year or $50 per semester (prices subject to change). For the convenience of students, Class Passes are available for sale at each of the Parking and Transportation Services offices. For more information on the Class Pass and Lextran routes and schedules, visit Lextran’s Web site at www.lextran.com or call (859) 255-7756.

Bicycle Parking and Registration

The University of Kentucky recognizes bicycles as vehicles and encourages bicycling as a mode of transportation. In an effort to provide the campus community with a safe, secure, and efficient cycling environment, the University requires bicyclists to observe established regulations for operating and parking bicycles on campus and strongly encourages cyclists to obtain and display a bicycle permit, available at no charge. Visit www.uky.edu/pts for more information.

Bicycles are required to only park at bike racks. Racks are located in front of most residence halls and classroom buildings, totaling nearly 3,500 bicycle spaces on campus. Do not chain bikes to benches, trees, handrails, signs, or light poles. As with cars, bikes can be impounded if they are parked in violation.

All Lextran and some CATS buses are equipped with bicycle racks for your convenience.

Bicycling on Campus and Beyond

Biking as a mode of transportation has a number of advantages: it’s good for you and the environment, saves you money and is often faster than other ways of getting around.

The University of Kentucky is committed to educating its community about safe bicycling practices and improving bicycle facilities on campus through the Bicycle Advisory Committee. To learn more about these efforts and about upcoming BAC events, visit www.uky.edu/pts/BAC.

PTS Car Sharing

Students who don’t have a car can use ours. The PTS car sharing program offers short-term, low-cost car rental to anyone age 18 and older. For just $8-$10 per hour, members of the campus community can choose from a wide variety of Smartway-certified green vehicles with GPS navigation. The cost includes fuel, insurance, and maintenance. Cars are located around campus in high-traffic areas; car sharing spaces are reserved 24 hours a day. Car sharing is a great option for those who don’t have cars on campus, those who regularly use alternative transportation, and those who want to avoid wear and tear on their vehicle.

Visit www.uky.edu/pts/alternative-transportation_car-sharing-information for more details and to sign up today.

PTS Ride Home Express

PTS offers an alternative travel option for students and employees in visiting a variety of destinations during academic breaks. The PTS Ride Home Express operates at the start and end of Thanksgiving, Winter, and Spring Breaks. The PTS Ride Home Express will provide reliable, comfortable, and affordable transportation to and from hometowns or break destinations during the three major academic breaks. The program offers significantly cheaper fares than airlines and faster travel times than other major bus companies. Round-trip fares for the PTS Ride Home Express begin at just $55, with prices varying based on the final destination. For more information, visit www.uky.edu/pts/buses-and-shuttles_ride-home-express.
