BIO 395 RESEARCH IN BIOLOGY 1.0-3.0

Prereq: BIO 148, BIO 152 and BIO 155 or equivalent. Completion of at least one of the Biology core courses (Cell Biology, Evolution, Genetics, Physiology, Ecology) is strongly recommended.

NOTE: BIO 395: For those completing BIO 395 for the first time: 1. Use the mentor list (available in the biology office) to identify potential mentors whose research interests you. 2. Contact potential mentors to determine if they are accepting BIO 395 students and if you are eligible to join their lab. Potential mentors may ask about what courses you have completed, your GPA, your time commitment, etc. 3. Set up a meeting with the faculty member to discuss potential projects. 4. In consultation with your mentor, complete the BIO 395 Contract (available in the biology office). Return completed contracts to 101 THM by NOON on last day of add/drop. 5. Wait to receive email confirmation and instructions for registration if your project is approved. At that time, you will need to register for the course in myUK. If the contract is not approved, we will contact you or your research mentor.

MUP • Music Performance

College of Fine Arts

NOTE: MUP courses are individual instrument courses for music majors. Non-Music majors may take the one credit hour courses by permission of the School of Music.

FEES FOR MUSIC PERFORMANCE COURSES: \$100 per semester for applied music lessons regardless of credit hours; instead of the \$100 fee, guitar courses (MUP 123, 223, 323, 423) have a \$500 per semester applied music fee for lessons regardless of credit hours. Students taking lessons on more than one applied music instrument are charged the \$100 fee for each course. The fee is in addition to tuition and fees and is payable by the deadline for paying tuition and fees.

PREREQ FOR ALL MUP COURSES: Satisfactory audition and/or approval by instructor.

ALL REGISTRATION IS BY PERMIT ONLY. For further enrollment information please contact the applied teacher with whom you wish to study.
