## Access Virtual DEN with your iPad or iPhone

Note: If you already have the Citrix Receiver installed on your device please skip to step #6

1. Open the App Store on your device.

2. In the top right hand search box type "Citrix". You should see "Citrix Receiver" pop up in the list of options. Tap on "Citrix Receiver".

3. Depending on your device tap on "Install" under the iPad or the iPhone section.

4. Enter your iTunes account information.
