Felix E. Martin, Jr. Scholarship

Greenville native Felix Martin graduated from the University of Kentucky in 1954 with a Bachelor's degree in business commerce. His college career was interrupted when he served in the Korean War. Prior to that tour of duty, he was a Warrant Officer in the U.S. Maritime Service during World War II. Returning to UK after completing the Korean War, he was elected President of Sigma Phi Epsilon. Through his estate, Martin created a scholarship fund at the University of Kentucky that provides students of his Muhlenberg County the opportunity to attend his alma mater.

ELIGIBILITY

All applicants who meet the eligibility requirements will be given equal consideration by the University of Kentucky academic scholarship committee, which will select recipients according to the following criteria:

- Applicants must be graduates of a Muhlenberg County (Kentucky) high school. Should additional funds be available, then scholarships will be considered for applicants who are graduates of a Hopkins County (Kentucky) high school.
- Applicants must be planning to attend the University of Kentucky Gatton College of Business and Economics to pursue an undergraduate degree.
- Applicants must show potential for academic success by having a GPA of 3.0 or higher and earning at least a 24 Composite on the ACT.
- Current college students who are attending an accredited institution, meet the above requirements, and plan to enroll at the University of Kentucky are eligible to apply. However, previous college work will count toward the four year term of the scholarship.
- Financial need, while not a requirement for this scholarship, may be considered in determining recipients when there are equally qualified candidates.

Scholarships awarded through this program are renewable for up to four years, providing successful academic progress is being made toward earning an undergraduate degree in the Gatton College of Business and Economics.

APPLICATION

To be considered for the Felix E. Martin, Jr. Scholarship, please complete the application form below. Please be aware that applicants must also apply for admission with an intended major in the Gatton College of Business and Economics, and have a qualifying test score and high school transcript on file with the Office of Undergraduate Admission by the January 15, 2015 scholarship deadline.
