If you, your family members or your guests require any additional assistance due to a disability, please e-mail us at orientation@uky.edu at least two weeks before you arrive. We will be glad to assist you.

Major Changes
Changing majors during your “see blue.” U Orientation is restricted. If you wish to change your major, contact the Office of University Orientation by e-mail at orientation@uky.edu immediately so your academic advisor can be notified. We recommend that you research your major prior to arrival. You can access information about majors at www.uky.edu/academics.

Technology
The University of Kentucky strongly recommends that each student purchase a personal laptop computer or equivalent tablet device. Visit www.uky.edu/ukit/hardwareguide to learn more about our recommendation. If you already have a laptop (preferred) or tablet device, we request that you bring that with you to “see blue.” U. Please note that students bringing an iPad should download the Google Chrome browser which supports our course registration systems.

Preparing for Course Registration

You may want to review the 2017-2018 UK Bulletin on-line at http://seeblue.com/bulletin or view the Fall 2017 Schedule of Classes in your myUK Web portal under Student Services, Degree Planning and Registration (myUKGPS), Menu, Course Catalog.

Parking Permits for Fall 2017

Please note that it is not essential to bring a car to campus. Many students find that it’s just as quick, easy and convenient to get around campus and Lexington by using the alternative transportation resources that the University and city offer - including the BluPass program, which allows students to ride all Lextran routes free with a Wildcard ID, and the Big Blue Cycles fleet, which consists of more than 150 bicycles available exclusively to students who live in campus housing who sign a commitment not to bring a car to Lexington. In fact, less than half of our residential students and fewer than one-third of all students bring a vehicle to campus, a decision from which everyone benefits – our campus, our community and our environment. Students may apply for a Big Blue Cycles bike at www.uky.edu/sustainability/1718BBCCapp. Be sure to check out all of the options available in our alternative transportation network at www.uky.edu/transportation/alternative-transportation. Eligible students who choose to bring a car to campus are encouraged to purchase permits online at www.uky.edu/transportation. Student permit sales begin in June, with the date varying based on permit type.

WildCard Student ID

During your “see blue.” U Orientation, you can purchase your WildCard student ID in 105 Bowman’s Den. There is a $15 charge for a new student ID and $5 charge for an ID holder (this is optional). Each student will need to bring a government issued photo ID to obtain the WildCard (driver’s license, passport, military ID or state identification card). The Wildcard ID office is open each day from 8 a.m. – 4:15 p.m.

Guest Access and Direct Deposit

Authorize parents, relatives or others to view your student account transactions and make payments on your behalf by enrolling in Guest Access. You will also need to enroll in Direct Deposit for refunds. Go to the myUK Financials tab and select Account Services for access.

University of Kentucky Bands

The University of Kentucky Bands are open to all students at the University of Kentucky regardless of academic major. ensembles in the UK Bands program include the Wildcat Marching Band, Wind Symphony, Symphony Band, Concert Band, and Basketball Pep Band. The Wildcat Marching Band is the largest student organization at UK, represents nearly every academic major on campus, and performs at nationally televised events for hundreds of thousands of Big Blue Nation fans every year. Anyone interested in joining the Wildcat Marching Band is encouraged to schedule an audition from 1-4 p.m. in the Fine Arts Building during the “see blue.” U Orientation sessions by contacting the Director of Bands at cody.birdwell@uky.edu or by calling 859-257-BAND.
