CONGRATULATIONS ON YOUR ADMISSION TO THE UNIVERSITY OF KENTUCKY!

Confirming your attendance at the University of Kentucky is completed by signing up to attend a “see blue.” U Summer Orientation and paying your enrollment deposit. This brochure will assist you in selecting the date for your “see blue.” U Summer Orientation if you have not already done so. It also provides details about your orientation and K Week. Please contact us if you have questions. We look forward to having you as a part of the UK family!

DEADLINE - MAY 1, 2016

If you plan to attend UK, you MUST confirm your “see blue.” U Orientation date and pay the enrollment deposit no later than May 1, 2016. In order to make adequate plans for all students, “see blue.” U Orientation registration is mandatory.

If you do not confirm your “see blue.” U Orientation by May 1, 2016, your admission to UK may be canceled. Students who reply after May 1, 2016, will be reviewed on a case-by-case basis. Students will be notified if space becomes available or if their admission is deferred to spring 2017.
PARENTS AND GUESTS ARE INVITED
Your parents or guests are strongly encouraged to accompany you to your orientation. A parent/guest program has been designed to familiarize them with UK and give insights into the kinds of adjustments you and your parent/guests might experience during the college years. The majority of our students have parents/guests attend these orientations. There is a $30 fee per parent/guest. The parent/guest fee includes: lunch on Day 1, refreshments on both days, parking and orientation parent/guest packet. The fee for parents and guests will be assessed at the time of paying the enrollment deposit and confirming your orientation date.

CHANGING YOUR MAJOR
Your current major is listed in your acceptance letter. To change your major is restricted, so plan to make changes at least two weeks in advance of your arrival. To change your major, send an email to orientation@uky.edu.
