Technology

The University of Kentucky strongly recommends that each student purchase a personal laptop computer or equivalent tablet device. Visit www.uky.edu/ukit/hardwareguide to learn more about our recommendation. If you already have a laptop (preferred) or tablet device, we request that you bring that with you to “see blue.” U. Please note that students bringing an iPad should download the Google Chrome browser which supports our course registration systems.

Course Placement

Math Placement Exam – Required for most students
All incoming freshman students are required to take the ALEKS math placement exam unless they have one of the following ACT/SAT scores on file: ACT math subcore of 30 or above; SAT (test given prior to March 2016) math subcore of 680 or above; or SAT (test given after March 2016) math subcore of 710 or above. There are no other exceptions.

If you do not meet one of those three requirements and have not completed the ALEKS math placement exam, please complete it immediately. Access the exam and learn more about math placement at www.uky.edu/AR/aleks.

Foreign Language Placement Exam – If needed, receive a ticket for an assigned time at Check-in.
Students with a major in the College of Arts & Sciences: If you took either Chinese, French, German or Spanish in high school is required to take the placement exam in that respective language. If you took two languages in high school, please take the exam in the language you studied the longest or the language with which you plan to continue.

Students with a major in a college other than the College of Arts & Sciences: You are only required to take the exam if you took either Chinese, French, German or Spanish in high school and have plans to continue studying in the same language in college or if you did not complete two credits of a foreign language in high school. You do not need the exam if you want to start in the first level of a different language. If you took two languages in high school, please take the exam in the language you studied the longest or the language with which you plan to continue.

Overnight Accommodations

Students and their guests have the opportunity to stay on campus during their “see blue.” U Orientation. Although it is not required to stay on campus, students and parents enjoy the experience of staying on campus and the close proximity to the sessions. Those choosing to stay on campus can check-in at Jewell Hall, located on North Campus, on the day prior to their “see blue.” U session beginning at 4 p.m., and should check out no later than 2:30 p.m. on Day 2. Making reservations prior to arrival is highly encouraged. Walk-ups are welcome. Payment is by credit or debit card only; no cash please. Make your reservations online at sch.uky.edu/see-blue-u.

Students and guests are charged a $35 fee, per person, per night. This fee is not included in the orientation fee. It is an additional fee paid to the Summer Conference Housing Office. This rate includes linens.

Complimentary overnight parking is available in the South Limestone Garage (Parking Structure #5). Guests in wheelchairs or those needing special accommodations should contact the Summer Conference Housing Office by email at uksch@uky.edu or online at sch.uky.edu/see-blue-u for more information on accommodations. If you live close to Lexington, you may opt to stay at home. If you or your family/guests prefer, you may choose to stay in a hotel. Information on Lexington hotels is available at www.visitlex.com/hotels.

Orientation Fee

Each student paid the orientation and guest fees as a part of the confirmation process. This fee covers all orientation materials, new student registration, daily parking, sessions, lunch on Day 1 and light breakfast on Day 2. Optional housing costs are listed above.

Attire

Plan to wear comfortable, casual clothing. Since we will be utilizing several areas of the UK campus, comfortable walking shoes are a must. Some of our air-conditioned buildings can be chilly, so you may want to dress in layers so you will be comfortable inside or outside. Be sure to bring an umbrella – we will follow the program activities rain or shine!

Assistance

If you, your family members or your guests require any additional assistance due to a disability, please e-mail us at orientation@uky.edu at least two weeks before you arrive. We will be glad to assist you.

Preparing for Course Registration

You may want to review the 2017-2018 UK Bulletin on-line at http://seeblue.com/bulletin or view the Fall 2017 Schedule of Classes in your myUK Web portal under Student Services, Degree Planning and Registration (myUKGPS), Menu, Course Catalog.
Major Changes
Changing majors during your “see blue.” U Orientation is restricted. If you wish to change your major, contact the Office of University Orientation by e-mail at orientation@uky.edu immediately so your academic advisor can be notified. We recommend that you research your major prior to arrival. You can access information about majors at www.uky.edu/academics.

UK Indigo Inventory – Required for all students
As part of “see blue.” U, all students are required to take the University of Kentucky Indigo Inventory. This will provide invaluable insight to tailor your strengths and maximize your time at UK. In addition, all students will participate in an Indigo Workshop during “see blue.” U – a dynamic training explaining how to use your personal strengths for your path at UK. A link to the exam will be sent to your UK email address. The Indigo Inventory survey must be completed one week prior to Day 1 of your “see blue.” U Orientation. Go to http://seeblue.com/indigo for more details.

Parking Permits for Fall 2017
Please note that it is not essential to bring a car to campus. Many students find that it’s just as quick, easy and convenient to get around campus and Lexington by using the alternative transportation resources that the University and city offer – including the BluPass program, which allows students to ride all Lextran routes free with a Wildcard ID, and the Big Blue Cycles fleet, which consists of more than 150 bicycles available exclusively to students who live in campus housing who sign a commitment not to bring a car to Lexington. In fact, less than half of our residential students and fewer than one-third of all students bring a vehicle to campus, a decision from which everyone benefits – our campus, our community and our environment. Students may apply for a Big Blue Cycles bike at www.uky.edu/sustainability/l171BBBCapp. Be sure to check out all of the options available in our alternative transportation network at www.uky.edu/transportation/alternative-transportation. Eligible students who choose to bring a car to campus are encouraged to purchase permits online at www.uky.edu/transportation. Student permit sales begin in June, with the date varying based on permit type.

WildCard Student ID
During your “see blue.” U Orientation, you can purchase your WildCard student ID in 105 Bowman’s Den. There is a $15 charge for a new student ID and $5 charge for an ID holder (this is optional). Each student will need to bring a government issued photo ID to obtain the WildCard (driver’s license, passport, military ID or state identification card). The Wildcard ID office is open each day from 8 a.m. – 4:15 p.m.

Student Services Presentations – Required for all students
During your “see blue.” U Orientation, you will receive information from a variety of programs and departments. Prior to arriving at “see blue.” U we encourage you to review the presentations at www.seeblueU.com. This information is vital to the success of your transition to the University of Kentucky and will be reviewed with you during “see blue.” U.

Guest Access and Direct Deposit
Authorize parents, relatives or others to view your student account transactions and make payments on your behalf by enrolling in Guest Access. You will also need to enroll in Direct Deposit for refunds. Go to the myUK Financials tab and select Account Services for access.

University of Kentucky Bands
The University of Kentucky Bands are open to all students at the University of Kentucky regardless of academic major. Ensembles in the UK Bands program include the Wildcat Marching Band, Wind Symphony, Symphony Band, Concert Band, and Basketball Pep Band. The Wildcat Marching Band is the largest student organization at UK, represents nearly every academic major on campus, and performs at nationally televised events for hundreds of thousands of Big Blue Nation fans every year. Anyone interested in joining the Wildcat Marching Band is encouraged to schedule an audition from 1-4 p.m. in the Fine Arts Building during the “see blue.” U Orientation sessions by contacting the Director of Bands at cody.birdwell@uky.edu or by calling 859-257-BAND. Auditions for Wind Symphony and Symphony Band take place two days prior to the start of classes each semester (no audition required for Concert Band). More information is available at http://finearts.uky.edu/ukbands.
