Kentucky Collegians Day

What: Kentucky Collegians Day is an annual event that recognizes the academic achievements of some of the top high school seniors in the region, while giving them a chance to explore some of the great opportunities available to them at UK. The event is sponsored by the UK Office of Undergraduate Admission and University Registrar.

Where: Grand Ballroom in the Student Center

When: Typically November or December

Who: During this event, students are able to converse with faculty and staff and have questions answered about the opportunities available to them at UK. Faculty representing UK’s Council of Endowed Professors and Chairs, as well as current Singletary Scholars and other UK staff from all of UK’s colleges and other areas such as Education Abroad, the BS/BA/MD Program, Undergraduate Research, and the Chellgren Center for Undergraduate Excellence, each host a table of students and their families during a dinner.

What to expect: Two hundred plus students from various states around the region take part in this event.

Advisor’s Role: Attendance might be requested by your College.

UK Transfer Day at BCTC

What: BCTC hosts a “Transfer Day” to connect their students with information about how to transfer to UK. Colleges and departments are available to answer questions and provide information about their specific programs and admissions requirements.

Where: Bluegrass Community and Technical College, Cooper Campus. Specific time and room details are emailed out by

Ryan Wagoner - 859-257-7595
Assistant Director of Admissions for Transfer Services Office of Undergraduate Admissions 13A Funkhouser Bldg. Ryan.Wagoner@uky.edu
For UK Employees with an E lot pass, parking is available between the BCTC Cooper Campus and Commonwealth Stadium.

**When:** Fall semester

**Set up:** Each college/department has a table for recruitment materials. Table materials typically include recruitment materials, flyers, pamphlets, and freebies (i.e. pens, candy). The Admissions Office staff assigns tables and a pop-up banner displaying each department/college name will be behind each table.

**What to expect:** Students will filter through the tables between classes. There usually is a good showing of non-traditional students. Expect questions related to how many years it will take to complete your program should they decide to transfer with the associate’s degree.

**Advisor’s Role:** Fielding questions from students, sharing information about the program that you represent.

**Preparation:** Find out if you are responsible for transporting table materials to BCTC. If you are representing a college, it is helpful to be knowledgeable about transfer equivalency between BCTC and UK.
