Readmission

Former University students who have not been enrolled for one semester or more, and who are in good standing are required to apply for readmission. Applications for readmission may be completed online at [http://www.uky.edu/Admission/application](http://www.uky.edu/Admission/application) along with:

1. official transcripts from all colleges and universities attended since leaving UK;
2. a non-refundable application processing fee.

In order to be eligible for readmission, former UK students must have been in good standing at the time they left the University. Those who have been enrolled elsewhere must be eligible as transfer students on the basis of grade point average and be in good standing at the institution most recently attended. Students under suspension from UK are not eligible for readmission, regardless of their status at another institution, until they have been reinstated to the University. If the suspension is for academic reasons, reinstatement should be requested from the dean of the college in which they intend to enroll by the stated deadline. If the suspension is nonacademic, reinstatement should be requested from the appropriate University official.

Reinstated students must complete an application for readmission in addition to applying for reinstatement at [http://www.uky.edu/Admission/application](http://www.uky.edu/Admission/application) by the stated deadline.

Academic College Policies

Gatton College of Business & Economics

Students not currently enrolled in UK academic programs who were once Gatton College of Business majors must complete an application for readmission to the University of Kentucky and meet admissions standards first and foremost. Applications for readmission are forwarded to the Gatton College for individual review. Applications will be reviewed based on the following selective admissions criteria:

1. Students with under 50 earned hours will be automatically admitted to the Gatton College as a premajor student in the major of their choice.
2. Students with more than 50 earned hours will be required to meet the 2.8 premajor and 2.8 cumulative GPA requirement for admission.

Admitted students must bring their acceptance letter and major change form from their originating college to 100 B&E.

Health Sciences

Students who have left the University and desire readmission into the College of Health Sciences must demonstrate good academic standing prior to their departure. Those

Readmission
UK Advising Manual

students who have over 30 hours and are not yet ready to apply for admission into one of our selective admission programs, must first choose another major. Those students are still eligible to apply to the College of Health Sciences once their pre-requisites are complete.

Nursing

Readmission to the College of Nursing following an interruption of your program is not automatic. At the time you request readmission to the University of Kentucky, you should also address a request to the dean of the College of Nursing. College policy affecting readmission is as follows:

- If you remain withdrawn from the nursing program for more than two semesters you will be expected to meet any new admission and graduation requirements of the College occurring since your withdrawal date.
- If you withdraw but plan to return before this two-semester time lapse you may be readmitted provided if you
  - are in good standing,
  - have reapplied prior to appropriate application deadline dates,
  - have requested readmission, by letter, to the dean and provided the dean has approved the readmission and
  - the College can accommodate your current class needs.
