Members, Board of Trustees:

PERFORMANCE EVALUATION RESOLUTION

Recommendation: In recognition of his performance, the University of Kentucky Board of Trustees commends President Eli Capilouto on his strong leadership over the last six and a half years and the progress we are making as a University and community. The Board is very proud of the work we have done together and are deeply committed to our partnership with the President as we address future challenges facing our University and as we respond to the opportunities for improvement identified in this evaluation.
