Members, Board of Trustees:

ESTATE OF JOHN C. HUBBARD GIFT

Recommendation: that the Board of Trustees accept gifts totaling \$122,010 from the estate of John Castleman Hubbard, formerly of Orchard Park, New York, to create and endow the John C. Hubbard Memorial Internal Fund in the College of Arts and Sciences to benefit the Department of Chemistry and submit these gifts for matching funds from Kentucky's Endowment Match Program. Council on Postsecondary Education guidelines require that the Board of Trustees acknowledge its responsibility for UK's participation in the program and for all university funds.

Background: John Castleman Hubbard obtained his BS in chemistry from UK in 1944 and later received his medical degree from the University of Louisville. He was an associate professor of pathology at SUNY Buffalo for more than 30 years.
