Research Foundation Contracting

Purpose

All purchasing and contracting requirements from research or grant funds shall be processed in the same manner as other University funds.

Policy

Unless the specific research or grant funding requires otherwise, expenditures and contracting from these funds will be completed in the same manner as other University funds.

The Purchasing Division must be notified and supplied copies of the requirements on research and grant expenditures that must follow procurement and contracting policy other than that of the University.

In accordance with 2 C.F.R. 200, the University of Kentucky will adopt the procurement standards in 200.317-200.326 on July 1, 2017. Until then, the University will comply with the standards in 2 C.F.R 215 and 220.

Procedure

Requisitions/shopping carts must be completed for all purchases over the specified dollar threshold.
