Weekly Quiz

Participation Points – Highly Recommended

30 – Student Present in Class Week Assigned

30 - Student present Week turned In

40 – Graded by Instructor

Participation points cannot be made up or turned in late.

Work maybe turned in early, but is discouraged.

Graded portion may be corrected and turned in for grade update within in

1 week of original due date.

Discretion is used by instructor for students arriving late, leaving early or a student with an excellent attendance record and work ethic has a real emergency.

Lab Final

ITT Mandates Exam to be taken on day off.

Rare exceptions to take early may be granted, but only with approval from Chair.

Final Exam

ITT Mandates Exam to be taken on day off.

ITT Mandates Exam to be taken on day off.

Rare exceptions to take early may be granted, but only with approval from Chair.
