Which aspects of the course were most helpful? Why?

| Comments |
|---|
| Very open discussion. Understandable readings |
| Everything was very detailed and specific and organized and available for us to view on our own |
| The papers and projects. They helped us learn the material hands on. |
| The Slides |
| Having the slide decks online allowed for time to take notes at a slower pace. Deep discussions and a welcoming atmosphere allowed for this class to be one of my favorite classes ever in college. |

Which aspects of the instructor Derek Lane were most helpful? Why?

| Comments |

| Very knowledgeable and loved teaching. He's very open to discussions. He had many years of experience within field. |
| Dr Lane is the most helpful and dedicated professor that I have ever had at UK!!!! If I could take another course with him again I would and I recommend this class and him to everyone that is a comm major that I know. He will literally carve out anytime for you, he is so willing to help you succeed and do well and he genuinely cares so much about his students and them succeeding and understanding the material and doesn't even put as much emphasis on grades but rather on learning. He is calm and friendly and makes everyone feel so comfortable and welcome from the first day. |
| Dr Lane is AMAZING! One of my favorite professors at UK. I cannot say enough good things about him. He is extremely helpful and wants to make sure students learn the material and not just define them by a grade. This is so refreshing to college students. |
| He was always willing to help no matter what |
| Best professor I've ever had. |
| He is always so helpful and very quick to respond to emails and questions |
