EDUCATION

Master of Arts in Communications (December, 1992), College of Communications, University of Kentucky

Bachelor of Arts (August, 1990), Summa Cum Laude with Departmental Honors in Telecommunications, University of Kentucky. Double major in Telecommunications and Political Science.

Advanced Math and Science Diploma (June, 1975), Danville High School, Danville, Kentucky.

ACADEMIC AND PROFESSIONAL EXPERIENCE

- 2000-present **Assistant/Associate Professor**, School of Journalism and Telecommunications, University of Kentucky. Courses taught include Telecommunications II: Interactive Communication Systems, Communication and Information Systems in Organizations, Telecommunications Network Management, Knowledge Management in Telecommunications Industries, Music Industry Management, Cyberspace and Communication, and Digital Audio Production.
- 1999-2000 **Visiting Assistant Professor**, School of Journalism and Telecommunications, University of Kentucky. Courses taught included Telecommunications I: Mass Communication Systems, Telecommunications II: Interactive Communication Systems, Telecommunications Network Management, and Digital Audio Production.
- 1996-2000 **College Technology Coordinator**, College of Communications and Information Studies, University of Kentucky. Responsibilities included planning, implementing and coordinating college academic information technology services; assisting faculty in the development and implementation of instructional technology applications; planning, design and management of the Media Center for the Future teaching and research facilities; and creating and maintaining college and departmental web pages.
- 1992-1999 **Adjunct Professor**, Department of Telecommunications and School of Journalism and Telecommunications, University of Kentucky. Courses taught included: Business Telecommunications, Telecommunications Network Management, Voice and Data Networks, Internet and Society, Economics of Information, and Telecommunications Technologies and Society.
- 1995-1996 **Assistant Director of Undergraduate Studies**, College of Communications and Information Studies, University of Kentucky. Responsibilities included college-wide coordination of advising, registration, course scheduling and undergraduate recruitment; allocating computing resources for students, faculty and staff; compiling reports using relational databases and various statistical packages; and serving as consultant on computer purchases and security.

- 1993-1997 **Research Consultant**, Research Communication, Ltd., Dedham, Massachusetts. Responsibilities included collection of qualitative and quantitative data (conducting focus groups and administering survey and scanning point instruments) for the purpose of evaluating news and educational programming, as well as new educational technologies and curricula.
- 1993-1995 **Assistant to the Director**, School of Journalism and Telecommunications, University of Kentucky. Responsibilities included management of School computing and network facilities (approx. 60 networked work stations) and audio/visual/editing equipment; coordination of advising and registration activities for the School; grant proposal and report preparation; and provision of high-level assistance with confidential student and personnel matters.
- 1992-1993 **Staff Assistant**, Department of Telecommunications, University of Kentucky. Responsibilities included management of audio/visual equipment and computing facilities; pre-major advising; department budget management (including ordering, vendor payment processing and travel expense processing); and faculty support.
- 1991 **Research Assistant** to Dr. Tom Lindlof, Chair, Department of Telecommunications, University of Kentucky. Responsibilities included proofreading, editing, and research for his textbook, *Qualitative Communication Research Methods*.
- 1990-1992 **Teaching Assistant**, Department of Telecommunications, University of Kentucky. Instructor of record for TEL 201: Telecommunications Technologies and Society.
- 1989-1990 **Production Crew Supervisor**, Office of Instructional Resources (UKTV). Responsibilities included camera operation, technical and floor direction, audio production, videotape editing, lighting, all aspects of electronic field production; supervision and training of student crew personnel; and related administrative tasks.
- 1989-1990 **Videographer and Editor**, Sports Video Department, University of Kentucky Athletic Association. Responsibilities included shooting promotional material, press conferences and player interviews, as well as editing promotional material, the weekly SEC satellite feed and the weekly *Big Play Show*.
- 1988-1989 **Research Assistant** to Dr. Steve Levitt, Department of Telecommunications, University of Kentucky. Assisted in studying adoption and diffusion of the newly instituted (at that time) on-line Student Information System (SIS).
- 1984-1988 **Landscape Foreman**, Colonial Garden Center, Lexington, Kentucky. Responsibilities included supervision and coordination of personnel, materials, machinery, plans and billing for all aspects of residential, commercial and industrial landscaping.
- 1982-1984 **Department Manager** for Automotive and Sporting Goods, Wal-mart #692, Danville, Kentucky. Responsibilities included customer service, ordering, merchandising and supervision of personnel.
- 1975-1982 **Professional Musician**. Responsibilities included singing, playing bass and keyboards, and coordinating schedule and travel.

Production date May 10, 2007: *The Young Jazz Lions of Lexington*
Production date June 14, 2007: *Morehead Musical Connections*
Production date July 12, 2007: *Bruce Lewis and Friends*
Production date August 9, 2007: *The University of Kentucky Faculty Jazz Quartet*
Production date September 13, 2007: *Byron Romanowitz – A Man and his Music*
Production date October 11, 2007: *Orville Hammond – Piano Jazz Trio*
Production date November 8, 2007: *Jay Flippin's Holiday Show with Gary Nelson*
Production date December 13, 2007: *Speakeasy Jazz Band*

Producer and mixer (2006) for the nationally distributed acoUstiKats album *At Your Door* – a production of the UK School of Journalism and Telecommunications recording studio for the UK School of Music.

Director, videographer and editor (2000) for the nationally distributed half-hour instructional documentary *Interdisciplinary Early Childhood Education at the University of Kentucky*. Video produced for the UK Department of Family Studies through the facilities of the UK School of Journalism and Telecommunications.

Co-producer and mixer (2000) for the nationally distributed acoUstiKats album *the acoUstiKats* – a production of the UK School of Journalism and Telecommunications recording studio for the UK School of Music.

Producer/director, videographer and editor (1997) for the regionally distributed University of Kentucky College of Communications and Information Studies undergraduate recruiting video. Video produced through the facilities of the UK School of Journalism and Telecommunications.

Associate Producer (1994) for *Beyond O.J.: A Public Journalism Forum on Domestic Violence*. Air date January 22, 1995 on Kentucky Educational Television.

Host and Producer (1992-1994) of *WRFL Town Hall of the Air*, a weekly listener call-in talk radio show dealing with issues of university, local, state, national and international interest, airing Wednesday evenings on WRFL 88.1 Mhz, Lexington, KY.

Co-producer and mixer (1985) for the internationally distributed Velvet Elvis (indie-rock band) album *Fun and Trouble* on Hit-a-Note Records. Recorded and mixed at Hit-a-Note Studios, Louisville, KY.

Production Assistant (1984) for *Burley: Growing Tobacco in America*, winner of the 1985 Academy Award for Best Student Documentary. Film by Robby Henson for New York University Film School.

RADIO APPEARANCES – THE ANDY FINN SHOW ON WEBR RADIO, CABLE, AND INTERNET

(One million-plus market in Fairfax, VA and international Internet streaming)

From the “Interviews with Experts” series: Telecommunications Technology Length

Air date November 10, 2004: Internet Scams and Hazards	
Phishing	8:05
Spyware and Spam	11:24
Spyware and Spam Solutions	7:41
Air date November 17, 2004: Helpful Internet Hints	
E-mail Options and Spam Solutions	9:17
E-mail and Spam Solutions Continued	9:05
eBay – Bidding and How It Works	15:15
Air date January 6, 2005: Internet Search Techniques	
Google – Searching Your Computer	12:58
Google – Gmail, Contrasted with Grocery Cards	7:33
Google – How Search Engines Work	12:01
Air date January 13, 2005: Microsoft and Windows Issues	
Microsoft – The EU Anti-Trust Case	15:14
Microsoft – Windows Vulnerabilities	15:29
Microsoft – Windows OS (vs. Apple OS)	9:42
Air Date June 6, 2005: Technology & the Internet – at SuperComm 2005 (the entire show was produced for broadcast at the SuperComm Convention in Chicago)	
Introduction, General Telecom News, and the Competitive Environment	13:36
The Telephone Industry: History and Divestiture	13:37
The Telephone Industry: Telephone Devices – Obsolescence and New Services	6:45
The Broadcasting Industry: Industry History and Development of Regulation	12:22
The Broadcasting Industry: The Evolution of Radio	8:57
The Computer and Networking Industry: Internet Origins and Services	14:03
The Computer and Networking Industry: Five Primary Internet Applications	10:02
The Convergence of the Telephone, Broadcast, and Computer Industries	14:58
The Monitoring and Surveillance Functions of New Technologies	13:18
Utopian vs. Disastrous Views of Technology	11:14
Tornadoes, Wireless Network Access, and the Great Information Divide	14:21

Interviews on Music and Popular Culture

Air date October 13, 2005: Top Ten Rock Songwriters – #1 Bob Dylan

<i>Angry People</i> (to the tune of <i>Eleanor Rigby</i>)	3:10
Andy Finn, Lyrics; John Clark, Vocals, Production & Post-Production	
<i>I Want to Send You Spam</i> (to the tune of <i>I Want to Hold Your Hand</i>)	2:17
Andy Finn, Lyrics; John Clark, Vocals, Production & Post-Production	
<i>Conservative Trends</i> (to the tune of <i>Mercedes Benz</i>)	1:58
Andy Finn, Lyrics; Shannon Sullivan, Vocals; John Clark, Post-Production	

CONFERENCES AND PROFESSIONAL DEVELOPMENT

SuperComm (June 6-9, 2005). Chicago, IL (IEC Grant)
 MacWorld Expo (July 15-20, 2002). New York, NY (Associate Speakers Conference)
 National Communication Forum (NCF) – InfoVision (October 2001). Chicago, IL (\$2,995 IEC Grant)
 (accompanied and secured tuition grants for nine undergraduate students)
 Kentucky Broadcasters Association Convention (September, 2001). Louisville, KY
 Southern States Communication Association Conference (April 4-8, 2001). Lexington, KY
 West Virginia Broadcasters Association Convention (March 2001). Charleston, WV (SBE Certification)
 National Communication Forum (NCF) – InfoVision (October 2000). Chicago, IL (\$2,995 IEC Grant)
 (accompanied and secured tuition grants for 14 undergraduate students)
 National Communication Forum (NCF) – InfoVision (October 1999). Chicago, IL (\$2,995 IEC Grant)
 (accompanied and secured tuition grants for 11 undergraduate students)
 Association for Education in Journalism and Mass Communication (AEJMC) Southeast Colloquium
 (March, 1999). Lexington, KY
 National Communication Forum (NCF) – InfoVision (October 1998). Chicago, IL (\$2,995 IEC Grant)
 (accompanied and secured tuition grants for ten undergraduate students)
 National Communication Forum (NCF) – InfoVision (October 1997). Chicago, IL (\$2,995 IEC Grant)
 (accompanied and secured tuition grants for eight undergraduate students)
 International Communication Association (ICA) (May, 1993). Washington, DC (Refereed Paper)
 Speech Communication Association (SCA) (October 1991). Atlanta, GA (Refereed Paper)

HONORS AND AWARDS

University of Kentucky College of Communications and Information Studies 2003 Teaching Excellence Award.

University of Kentucky Minigrant (2000) for \$1,000, with Sean Baker, awarded by the Vice Chancellor for Research and Graduate Studies to support "Have and Have-Nots of Electronic Commerce" research.

Allocated Academic Year Fellowship (1991-1992), awarded by the Graduate School and the College of Communications, University of Kentucky.

Open Competition Academic Year Fellowship (1990-1991), awarded by the Graduate School of the University of Kentucky.

High Distinction (Summa Cum Laude) and Departmental Honors in Telecommunications (1990), conferred upon completion of the B.A., University of Kentucky.

Telecommunications Honor Society (1989-1990), University of Kentucky.

National Merit Scholarship Recipient (1975).

PROFESSIONAL ASSOCIATIONS

International Communication Association (ICA).

Association for Education in Journalism and Mass Communication (AEJMC).

International Engineering Consortium (IEC) University Program – recipient of tuition grants of \$2,995 to attend the annual National Communication Forum (NCF) in each of the years 1997-2001 and SuperComm in 2005.

Certified Designated Chief Operator by the Society of Broadcast Engineers (SBE) and the West Virginia Broadcasters Association.

GRADUATE COMMITTEES

Brandi Garber, Master of Arts in Communication, December 2001.

Steven Jenkins, Master of Arts in Communication, December 2006.

UNIVERSITY SERVICE

Committee Work:

School of Journalism and Telecommunications: Academic Affairs, Appeals, Diversity, Finance and Physical Facilities, Grievance, Scholarship, Synergy (rotate on and off these committees on a regular basis), Promotion and Tenure (2007-present), Telecommunications Search Committee (2000-2001, 2006-2007), Ad Hoc SACS Assessment Committee (1999-2001), Ad Hoc ACEJMC Reaccreditation Self-Study Committee (2001-2002)

College of Communications and Information Studies: Faculty Council (2001, 2005), Media Center for the Future Steering Committee (1999-2002)

University of Kentucky: University Cable Use Discovery Committee (2001-2003), UK Faculty Tour of the Commonwealth Advisory Group (2001-2002), University/IBM/Lotus Faculty Collaboration Working Group (2004), University of Kentucky Computer Security and Resource Allocation Advisory Committee (2002-present)

Kentucky Community and Technical College System, Lexington Campus: Information Management and Design (IMD) Advisory Committee (2002-present), Information Management and Design (IMD) Periodic Review Committee (2002, 2008)

Non-committee Work:

Designated Chief Operator (2001-2003), radio station WRFL-FM, Lexington, KY, transmitting at 88.1 MHz. Responsible for ensuring public file and technical compliance with FCC rules and regulations.

Chair (2000-2003) and Member (1996-2003) of the WRFL Advisory Council, which selects and advises the management of WRFL (Radio Free Lexington), the UK student-run FM radio station.

Coordinator of the UK CATalyst for Course Innovation Project (2000-2001), a campus-wide program that engages faculty in innovative course design and reinvention through instructional technology.

Faculty Presenter (2001-2003) to the biannual University of Kentucky Back to School Workshop for Adults, sponsored by University Extension and the Evening and Weekend College.

Faculty Advisor to the following University of Kentucky student organizations:

Radio Free Lexington – WRFL, 88.1 MHz (1999-present).

Society of Telecommunications Scholars (2000-present).

Computer Gaming Club (2001-2004).

Non-Traditional Student Organization (2002-2008).

HG Athletics (2002-2003).

Grehan Recording Group (2003-present).

Mac Users Group at UK (2003-2006).

Rock, Scissors, Paper Club (2005-2008)

COMMUNITY SERVICE

Member (1997-present), Board of Directors (1997-2000, 2005-present), and Treasurer (2007-present) of The Lexington Jazz Arts Foundation, a non-profit organization that promotes jazz as an art and jazz performance in the Central Kentucky area.

Member (2003-present), Lexington Fayette Urban County Government Telecommunications Advisory Committee.

Designated Chief Operator (2001-2003), radio station WRFL-FM, Lexington, KY, transmitting at 88.1 MHz. Responsible for ensuring public file and technical compliance with FCC rules and regulations.

SPECIAL PROJECTS

Media:

Co-Researcher (2004-05), with Dr. James Hertog on the WMMT-FM Audience Analysis Project.

Responsible for designing the focus group protocol, conducting focus groups, writing reports, and making recommendations for programming and fund raising for the non-commercial “Mountain Radio Station” at Appalshop, Whitesburg, KY.

Regular guest commentator (2004-present) on telecommunications technology, politics, social issues, and music for *The Andy Finn Show*, a broadcast, cable, and Internet radio talk show originating on WEBR in Fairfax, Virginia.

Participant in the design and production of the *e-chronicle*, an experimental multimedia information delivery service incorporating text, graphics, audio and video. Produced at the annual workshop of the Society for Newspaper Design, October, 1994.

Music:

Member of the Lexington Singers (1986-2006), a community choral organization of dedicated amateur choral singers.

Judge (January-February, 2002 and February-March, 2003), one of a panel of three, for the Z103 "Claim to Shame" Battle of the Bands, sponsored by Lexington radio station WXZZ-FM, 103.3 MHz.

Judge (February, 2002 and March, 2003), one of a panel of three, for the Kappa Delta 5th and 6th Annual Battle of the Bands, sponsored by UK's Kappa Delta Sorority, Z103-FM, and Planet Three Studios.

Bassist for the Bill Fletcher Trio (1995-1998), tuxedo-clad jazz standards for fun and profit.

Bassist, vocalist, co-producer and mixer for the 1985 Velvet Elvis album "Fun and Trouble" on Hit-a-Note Records.

Bassist and vocalist for Velvet Elvis (1984-1985), nationally acclaimed purveyors of original power pop.

Bassist, vocalist, and keyboards (1975-1982) for several full-time regional rock'n'roll cover club bands.
