Education

| | | | |
|--------------------------|-------|---------------|---------------|
| University of Kentucky | Ph.D. | Communication | December 1992 |
| University of Cincinnati | M.A. | Communication | June 1987 |
| University of Cincinnati | B.A. | Communication | June 1986 |

Experience

Associate Dean for Research, College of Communications and Information Studies, University of Kentucky. January 2005 to present.

Joint Appointment, College of Public Health, University of Kentucky, August 2004 to present.

Chairperson, Department of Communication, University of Kentucky,
July 1999 to present. (Acting Chair, January 1999 to June 1999.)

Associate Professor, Department of Communication, University of Kentucky,
January 1999 to present.

Assistant Professor, Department of Communication, University of Kentucky,
January 1993 to December 1998.

Deputy Scientific Director, Center for Prevention Research, University of Kentucky,
October 1993 to April 2000.

Faculty Associate, Multidisciplinary Center on Drug and Alcohol Abuse, University of Kentucky,
October 1997 to present.

Research Assistant, Center for Prevention Research, University of Kentucky,
June 1988 to December 1992.

Teaching Assistant, Department of Communication, University of Kentucky,
August 1987 to August 1988; June 1989 to August 1989;
June 1990 to August 1990.

Teaching Assistant, Department of Communication, University of Cincinnati,
September 1986 to June 1987.

Funded Projects

Kentucky Consortium for Applied Oral Health Research and Treatment (KY Carat), Consultant, Health Resources and Services Administration, August 2005 to July 2006, \$1,300,000. Robert Kovarik, Dentistry, PI.

Persuasive Strategies for Effective Anti-Drug Messages, Principal Investigator (5/02-2/06), National Institute on Drug Abuse, September 1999 to February 2006, \$1,677,033. Lewis Donohew, Communication, PI (9/1999-4/2002).

Sensation Seeking and Interventions: Filling the Gaps, Co-investigator, National Institute on Drug Abuse, September 2003 to August 2006, \$521,280. Donald Lynam, Psychology, PI.

Drug Abuse Liability and Sensation Seeking Status, Co-investigator, National Institute on Drug Abuse, September 2003 to August 2006, \$599,224. Thomas Kelly, Behavioral Science, PI.

Improving Medication Related Outcomes, Principal Investigator on scope account, Centers for Disease Control and Prevention, August 2002 to August 2004, \$174,177. Donald Perrier, Pharmacy, PI on center account.

Drug Abuse Prevention Tool Kit for Community Groups, Independent Evaluator, National Institute on Drug Abuse, September 1999 to August 2003. \$576,816. William Hansen, Tanglewood Research, Inc., North Carolina, PI.

Communication of Risky Sexual Behavior Among Adolescents, Co-investigator, National Institute of Nursing Research, September 1999 to August 2001, \$101,850. Sharon Lock, Nursing, PI.

Targeted Prevention for 4th Grade High Risk Youth, Co-investigator, Center for Substance Abuse Prevention, September 1996 to August 2000, \$1,367,826. Richard Clayton, Sociology and Center for Prevention Research, PI.

Effective and Commercially-Viable Drug Education, Independent Evaluator, National Institute on Drug Abuse, August 1996 to July 1999, \$238,725. William Hansen, Tanglewood Research, Inc., North Carolina, PI.

Shame-Proneness among the Invisibly Disabled, Principal Investigator, Interdisciplinary Human Development Institute, February 1996 to June 1996, \$500.

Drug Abuse Prevention: A Lifecourse Perspective, Co-investigator, National Institute on Drug Abuse, September 1995 to August 1998, \$840,042. Richard Clayton, Sociology and Center for Prevention Research, PI.

Etiology of Adolescent Substance Abuse: Selective Intervention, Co-investigator, National Institute on Drug Abuse, September 1995 to August 1998, \$747,488. Richard Clayton, Sociology and Center for Prevention Research, PI.

Amphetamine Abuse Liability and Sensation Seeking Status, Co-investigator, National Institute on Drug Abuse, September 1995 to August 1998, \$626,866. Thomas Kelly, Behavioral Science, PI.

Talking About Alcohol and Drugs...Among Greeks, Co-investigator, National Institute on Drug Abuse, September 1992 to August 1995, \$335,327. Richard Clayton, Sociology and Center for Prevention Research, PI.

A Small-Scale Targeted Drug Abuse Prevention Campaign, Co-investigator, Center for Substance Abuse Prevention, September 1991 to March 1995, \$660,466. Lewis Donohew, Communication, PI.

Grant Proposals Under Revision for Resubmission

Persuasive Strategies for Effective Anti-Drug Messages (R01 competing continuation; submitted as part of a P50 competing continuation), Principal Investigator, National Institute on Drug Abuse. Submission date: February 1, 2007.

Tailored Anti-marijuana Messages: Pediatric Application (R01), Co-principal investigator, National Institute on Drug Abuse. Submission date: February 1, 2007. Catherine Martin, Psychiatry, PI.

Kentucky Conference on Communication (R13), Principal Investigator, National Institute on Drug Abuse, National Cancer Institute, and National Institute of Alcohol Abuse and Alcoholism. Submission date: April 1, 2007.

Invited Presentations and Interviews

- Persuasive strategies for effective health behavior change messages*. Presentation for Wake Forest University Department of Communication's annual colloquium, April 25, 2006.
- Extramural funding in a social science department*. Panel participant for the University of Kentucky New Faculty Orientation, August 17, 2004.
- Promotion and tenure process: A chair's perspective*. Panel participant for the University of Kentucky Tenure and Promotion Workshop, October 1, 2003.
- Increasing the effectiveness of public communication campaign messages for adolescents and young adults*. Presentation to the National Center for Chronic Disease Prevention and Health Promotion, Centers for Disease Control and Prevention. Atlanta, GA. April 17, 2003.
- The physician as professional communicator*. Lecture to the 2002 class of first year medical students, University of Kentucky, October 7, 2002.
- Resources for chairs*. Panel presentation for the University of Kentucky Teaching & Learning Center, March 27, 2002
- Issues of academic integrity*. Presentation for the University of Kentucky Teaching & Learning Center. February 27, 2002.
- Using biology to guide the design of anti-drug messages*. Presentation at the Society for Prevention Research Annual Conference, pre-conference workshop on Bridging Neurobiological, Behavioral and Prevention Science, Washington, DC. May 29, 2001.
- Communication of drug abuse science with prevention practitioners*. Presentation at the Washington Council of Governments Conference, Washington, DC. May, 2000.
- Jump Start program design and outcome*. Radio interview with Kathy Daley of the Canadian Broadcasting Corporation, September 9, 1997.
- Media strategies for teen pregnancy prevention*. To the Clay County Adolescent Health Task Force, March 13, 1997.
- How to write competitive grant proposals*, UKRF Grant Writing Seminar, January 28, 1996, January 29, 1997, and January 28, 1998.
- Teen problem behavior*, on Prime Line with Al Smith (radio talk show), March 21, 1996, and April 11, 1996.
- CC&IS health communication initiative*, to the UK Board of Trustees, April 30, 1996.
- Conducting Focus Group Interviews as Formative Research*, Center for Substance Abuse Prevention Conference workshops (2), February, 1993.
- Designing More Effective Televised Public Service Announcements*, Washington Council of Governments Conference, October, 1993.

Panels

- Panel Chair, *A town hall meeting on promoting health communication scholarship*, National Communication Association Convention, Boston, MA, November, 2005.
- Panel Participant, *Spotlight on outreach and funding: Reviewing grant proposals for NIH and CDC*, National Communication Association Convention, Boston, MA, November, 2005.
- Panel Chair, *Health interventions for the young*, Tailoring Health Messages: Bridging the Gap between Social and Humanistic Perspectives on Health Communication, Ascona, Switzerland, July, 2005.
- Panel Co-chair, *Doctoral and early career preconference in health communication: Opportunities and challenges of moving health communication forward*, National Communication Association Convention, Chicago, IL, November, 2004.
- Panel Co-chair, *A town hall meeting and briefing on promoting health communication scholarship*, National Communication Association Convention, Chicago, IL, November, 2004.
- Panel Chair, *Top papers in health communication*, National Communication Association Convention, Miami Beach, FL, November, 2003.
- Panel Participant, *Funded research in communication*. National Communication Association Convention, New Orleans, LA, November, 2002.
- Respondent on Panel, *Contributing to the community: The intersection of basic and applied research*. National Communication Association Convention, Seattle, WA, November, 2000.
- Panel Participant, *Extramural funding for communication research: Preliminary results of NCA funding survey*. National Communication Association Convention, Seattle, WA, November, 2000.
- Panel Chair, *Prevention as Basic Science; Basic Science as Prevention*, Society for Prevention Research, Park City, UT, June, 1998.
- Panel Chair, *Medical Encounters*, Speech Communication Association, San Diego, CA, November, 1996.
- Panel Chair, *Methodology in Prevention Research*, Society for Prevention Research, Scottsdale, AZ, June, 1995.

Courses Taught

| | |
|---|---|
| Seminar in Health Communication | CJT 771 |
| Seminar in Advanced Theory Construction | CJT 751 |
| Proseminar in Health Communication | CJT 671 |
| Proseminar in Interpersonal Communication | CJT 631 (taught as CJT 781, directed study) |
| Health Communication | CJT 571 |
| Studies in Interpersonal Communication | COM 452 |
| Intro to Communication Research Methods | COM 365 |
| Intro to Communication Theory | COM 351 |
| Interpersonal Communication | COM 252 |
