The Southeast Regional Conference of the Association for Asian Studies (SEC/AAS) is a non-political, non-profit scholarly organization dedicated to promoting the study of Asia in the southeastern region of the United States (AL, FL, GA, KY, MD, MS, NC, SC, TN, VA, WV, and Washington, DC). To that end, SEC/AAS has held (since 1962) an annual three-day conference featuring scholarly panels, teacher workshops, and book exhibits; sponsors undergraduate and graduate student paper prize competitions; and publishes annually the Southeast Review of Asian Studies (SERAS) that highlights the scholarly activity of Asianists in the Southeast, as well as Occasional Papers. Membership in SEC/AAS is open to all individuals and institutions interested in Asia. Regular members are entitled to participate in SEC/AAS activities and to receive SERAS each year.

Please fill out the membership form below and return with your payment. We appreciate your support. Please note that registration materials for the January 14-16, 2005 Conference in Lexington, Ky. will be mailed only to those who have paid dues; actual registration fees for the annual meeting are separate.
