Requirements to Attend “see blue.” U

1. **Ensure that all the information provided on your Admission Profile is accurate.** To access your admission profile, log in to the myUK web portal at https://myuk.uky.edu. Once you have logged in, select the Student Services tab, select myInfo and select myProfile. This will allow you to see the information we have in our system. If you see changes that need to be made, please refer to the following options:

   **Address & Phone Number Changes:** To make changes, simply select myInfo, select the Edit button to begin making changes and remember to click Save to save your changes.

   **Residency:** If you believe your residency status is incorrect, please visit our Residency website at http://www.uky.edu/registrar/residency for more information.

   **Major Changes:** Changing majors is restricted during “see blue.” U. If you would like to change your major, please send your name, Student ID number and new major to orientation@uky.edu by **Monday, June 13**. To learn more about all of the majors offered at UK, please visit www.uky.edu/majors.

   **High School Information:** Your high school information and GPA are received from your high school transcript. We typically do not receive final transcripts until June or July, but once we receive your final transcript we will update this information and include your date of graduation.

   **College History:** If you have taken course work at another institution we will need to receive a transcript from that institution verifying the credits received. If you have not done so already, please send your official transcripts to the Office of Undergraduate Admission, 100 Funkhouser, Lexington, KY, 40506 at least two weeks prior to “see blue.” U to receive your transfer credits. We also encourage students to bring unofficial copies of their transcripts from other institutions with college-level courses you have completed or in which you are currently enrolled.

   **Registration Eligibility:** Your advisors will discuss registration eligibility during your Day 2 advising session – you do not need to do anything in regard to this area.

   **AP, IB, ACT and SAT Scores:** While we will provide you with a profile of the information we currently have for you, we encourage students to also bring copies of any AP, IB, ACT or SAT test scores. If after looking at your admission profile you determine you have any test scores that you know have not been submitted to UK, you may fax those to Michelle Nordin at 859-257-3823 or by e-mail at mnordin@uky.edu at least two weeks prior to your scheduled “see blue. U” date. **Note:** AP scores earned prior to your senior year should be sent to Michelle Nordin. To obtain a student score report from the College Board website go to https://apscore.collegeboard.org/scores, log in, click on Download Student Score report, and email or fax the report to Michelle Nordin. Senior year AP exams should be sent to UK directly from the College Board (this typically occurs in July).

   **ALEKS/Kyote/COMPASS Scores:** If you have completed one of these exams and the score is not reflected, please have those scores sent to us from the testing agency. You can also e-mail your score report to Michelle Nordin at mnordin@uky.edu or fax them to 859-257-3823. If your report states that you must complete one of these exams prior to your orientation, please visit our Office of Academic Enhancement at http://www.uky.edu/AE/placement-testing to learn more about completing these exams.

   **Foreign Language:** This reflects the number of credits of foreign language completed at your high school based on the transcript at the time of admission. Foreign language exams will be completed on Day 1 of “see blue.” U and more information will be included in your confirmation packet that will be sent two weeks prior to your university orientation.
2. **Visit www.seeblueU.com to view required presentations.**

**Student Service Presentations:** During your “see blue.” U University Orientation, you will receive information from a variety of programs and departments across campus. Prior to arriving at “see blue.” U it is imperative that you view the short introductory video and coordinating presentations at [www.seeblueU.com](http://www.seeblueU.com). This information is vital to the success of your transition to the University of Kentucky and will be reviewed with each student during “see blue.” U. The presentations include Student Affairs, Campus Safety, Parking and Transportation Services, University Health Services, Office of Institutional Equity & Equal Opportunity and the Violence Intervention and Prevention Center.

**Math Placement Exam**

*MUST BE COMPLETED BY JUNE 1*

All incoming students are required to take the ALEKS math placement exam unless they have an ACT math subscore of 30 or above (or SAT math score of 680 or above) or have completed a college-level math course equivalent to UK MA 109 (College Algebra) or MA 111 (Introduction to Contemporary Math) or higher at UK or another institution.

The ALEKS placement exam is an online placement test that will place students into their first college math course based on their ALEKS score. Students should consult with their academic advisor before registering for courses. To see where your subscore places you please see the math placement chart at [www.uky.edu/AE/math](http://www.uky.edu/AE/math).

To access the ALEKS online placement test please visit [www.uky.edu/AE/aleks](http://www.uky.edu/AE/aleks). The ALEKS online placement test allows students access to an initial assessment and an additional attempt once the student has spent a minimum of three hours working in the online learning modules. The student then has access to the online learning modules for six months.

You will access the test by using your Link Blue username and password (the same as they would with your myUK web portal). If you have any problems with your myUK login, please contact the UK Help Desk at 859-218-4357. If you are having any other technical problems, contact ALEKS at 714-619-7090 or [http://support.aleks.com](http://support.aleks.com).

**Foreign Language Exam**

Foreign language exams will be offered in Chinese, French, German and Spanish. The requirement to take the exam is based on the college below in which you will be enrolling – *if you do not know your college, please log into the myUK web portal and select the Student Services tab, select myInfo, select myProfile:*

**College of Arts & Sciences**

Any student enrolling in one of these colleges and who took Chinese, French, German or Spanish in high school is required to take the placement exam in that respective language. Please make plans to attend one of the four exam time options listed below. If you took two languages in high school, please take the exam in the language you studied the longest or the language with which you plan to continue.

**College of Agriculture, Food and Environment, Gatton College of Business & Economics, College of Communication and Information, College of Design, College of Education, College of Engineering, College of Fine Arts, College of Health Sciences, College of Nursing, College of Public Health, College of Social Work, Undergraduate Studies**

You are only required to take the exam if you took Chinese, French, German or Spanish in high school and have plans to continue studying in the same language in college or if you did not complete two years of a foreign language in high school. You do not need the exam if you want to start in the first level of a different language. If you took two languages in high school, please take the exam in the language you studied the longest or the language with which you plan to continue.

This is a computer-based proficiency exam which takes roughly 45 minutes to complete. The exam covers reading comprehension and listening. The exam will be offered in the afternoon of Day 1 – you do not need to sign up prior to your arrival. More information will be provided at check-in.
