**DIRECTIONS FOR USE**

**Agricultural Use Requirements**

Use this product only in accordance with the instructions on the label. As required by the Worker Protection Standard, or the Worker Protection Standard for Agricultural Workers who are not covered by the Worker Protection Standard. The WPS contains specific instructions and exceptions pertaining to the requirements on this label about personal protective equipment (PPE), and restricted-entry interval. The requirements in this box only apply to those that are covered by the Worker Protection Standard. Do not enter or allow worker entry into treated areas during the restricted-entry interval (REI) of 12 hours. For entry to treated areas that are permitted under the Worker Protection Standard and that involve contact with anything that had been treated, (such as plants, soil, or water), wear:
- Overalls long sleeved shirt and long pants,
- Chemical resistant gloves made of any waterproof material
- Shoes and chemical resistant footwear

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal.

Storage
- Keep tightly closed. Storage should be at a cool temperature when possible, and with minimal exposure to the atmosphere.

Disposal
- Winter mixing from the use of this product may be disposed of on site at an approved waste disposal facility.
