WILL I RECEIVE DETAILED REPORTS FOR MY UNIT'S GIFTS?

Yes! The philanthropy contact for each unit can opt-in to hourly reports on One Day for UK by completing the [Progress Report Request Form](#). If you prefer a single report on the following day, you can choose that option as well. These reports are intended to give you a progress update throughout the day. However, they are not yet audited by Gift Receiving and **should not be relied upon for stewardship or unit final totals.**

Annual Giving will also provide a final report to each unit, which can be used for stewardship and final total announcements. Our goal is to have this report prepared by 5/7/26.

WHY MIGHT MY HOURLY (OR NEXT DAY) REPORT DIFFER FROM THE GIFT COUNTER ON THE WEBSITE?

The gift counter on each fund webpage will only tally gifts to that specific fund. Donors can still give to any active university gift fund of their choice. If someone makes a gift to your unit but chose a fund that wasn't officially sponsored on the onedayforuk.com site, that gift is usually reflected in the automated Gravyty reports but won't be included on the fund webpage gift counter (since their gift was not to that specific fund).
