

Kentucky Geological Survey

**You are invited to tour the
Kentucky Geological Survey's
upgraded well sample and core library,
learn about the progress of our
reorganization, and discuss its new
capabilities and NEW NAME.**

**The facility is located at 2500 Research
Park Drive
across Iron Works Pike from
the Kentucky Horse Park**

**Friday, Feb. 15, 2019
1—4 p.m.**

**New research
collaborators
welcome!**

**Light refreshments
will be available.**

**Please RSVP by Monday, Feb. 11,
to Mike Lynch,
mike.lynch@uky.edu or
(859) 323-0561**
