ADDENDUM NUMBER FOUR

Bidders shall conform to the following changes, as same shall become binding to the Bid Documents for the purpose of bidding.

CORRECTIONS AND CLARIFICATIONS:

1. **Refer to Audio System for the Ballroom**
   a. Provide all programing, equipment, etc. to interface the fire alarm system and the audio system for auto-mute upon fire alarm activation.

2. **Refer to Audio Video System Specifications**
   a. Rack model clarification for basis of design: Shall be Middle Atlantic WRK 4432.
   b. Remove all requirements for production intercom equipment or infrastructure.

3. **Refer to Drawing ESS-1.0:** Provide pathway to security control panel for door position switch serving this coiling door A360D.2.

4. **Refer to Drawing A-1.3b, ESS1.0:** Door A351.2 incorrectly calls for a card reader on these drawings. No card reader is necessary on this door.

5. **Refer to Drawing E2.0:**
   a. Catering Staging A351 lighting shall be controlled on same zone as Catering Staging A351A.
   b. Six (6) of the DL2 fixtures in Prefunction Lounge A360 shall be emergency fixtures, provide emergency bypass relays as required.
   c. Provide 4-way low voltage lighting control station in A360 Prefunction Lounge just outside A360B men’s toilet.
   d. Provide occupancy sensor coverage for Rm 360 Prefunction Lounge, Rm 360E Coat Rm and A351A Catering staging.

6. **Refer to Drawing E3.0:** Provide 120V emergency power connection to doors A350.4, A350.5 and A350.6 including 2#12,1#12G in ¾” conduit.

7. **Refer to Drawing E4.0:**
   a. Provide smoke detectors on both sides of door A360G.1 and all integration to door holder as required to automatically release door holder upon fire alarm activation.
   c. Provide fire alarm pull station in Stair H.

8. **Refer to Mechanical Drawings:** Revise Sequence of Operations to apply to AHU’s 6 and 7 only.

End of Addendum #4 Refer to attachments.
