<tr>
<td>1</td>
<td>Due to the current restrictions on travel, will the University Purchasing Division accept electronically delivered proposals by April 24, 3:00PM EST?</td>
<td>Unfortunately, no. In order to be compliant with Kentucky Statutes, we have to receive a ‘hard’ copy of the vendor proposal.</td>
</tr>
<tr>
<td>2</td>
<td>Confirm that all recyclable materials generated by the University are “co-mingled” and if the University generates any “source separated” materials. Are they included in the RFP?</td>
<td>This Request for Proposal is just for “co-mingled” recycled material and not for any “source-separated” materials.</td>
</tr>
<tr>
<td>3</td>
<td>Historically, where has the University’s recycling materials been processed?</td>
<td>From 2013 – 2019, UK’s co-mingled recyclables went to Lexington’s Recycling Center. Since 2019, UK has been sending our materials to Rumpke’s Recycling Center in Cincinnati.</td>
</tr>
<tr>
<td>4</td>
<td>Historically, what processing and transfer costs have the University incurred?</td>
<td>We cannot disclose proprietary information unless a ‘Freedom of Information’ request is received. We are looking for your best pricing.</td>
