FOUR FELLOWSHIPS AWARDED

After thorough evaluation and deliberation the Fellowship Committee, comprised of John Greenway, Tom Lillich, and William Green, chose four applicants out of twenty submitted to receive UKAEF Fellowships. All four pledged to teach at the University level.

Colleen Glenn, English. Colleen is in the fifth year of her doctoral program with a concentration in American Studies. Her dissertation topic deals with combat fatigue and the indirect representation of war trauma in Hollywood films of the fifties. She spent two years in the Peace Corps as a teacher of English in Romania. At UK, she has taught composition, major Black writers, and Intro to Film.

Kevin Kehrborg, Music/Musicology. In the fourth year of his doctoral program in Musicology, his dissertation topic entails the first scholarly examination of the music and life of Alfred E. Brumley, one of the most important American gospel hymn composers of the twentieth century. His teaching experience includes courses at UK, an adjunct faculty member at Transylvania, and a research fellow at Berea College.

Erin Militzer, Mathematics. The fifth year doctoral student's dissertation is in the area of complex analysis. She has taught several courses at UK and has

been selected to take part in the Algebra Cubed program designed to increase the level of mathematics instruction in Eastern Kentucky.

Megan Poulette, Biology/Forestry. She is in her third year of her doctoral program with a focused area of forestry. Her dissertation research deals with the globally-unique savanna-woodland landscape of the Blue-grass area. She has served as an instructor in several courses at UK.

FAREWELL TO FRIENDS

Over the last several months, we have lost two loyal and valuable members of our organization. The first, William Wagner, besides serving on several committees, was President of UKAEF for two terms: 1996-97 and 1997-98. His generous contributions to the fellowship fund helped in great measure our ability to team up with the "Bucks for Brains" program.

Lila Boyarsky, a spousal member, worked tirelessly and optimistically for about eight years as chair of the Ad Hoc Retirement Facility Committee keeping at it long after most of us had become discouraged.

Their deaths have diminished us all.

FELLOWSHIP FUND CONTRIBUTORS

Thanks to the generosity of these UKAEF members, our Fellowship Fund was able to grow this year by \$3425.

VOLUNTEER OPPORTUNITIES

United Way of the Bluegrass. The United Way of the Bluegrass Volunteer Center provides many ways to make a difference in our community. This friendly site lists over 340 volunteer opportunities in the Bluegrass Region. To find a way to use your talents and interests to help others, visit the website at www.uwbg.org.

Alzheimer's Association. The Association's Best Friends Day Center is central Kentucky's only adult day center specializing in dementia care. It features a program directed by dedicated professionals and volunteers, all trained in the internationally-recognized model of care—the "Best Friends Approach." Volunteers are needed to be a friend to a person with dementia. Contact: Bobby Potts at 266-5283.

UK Honors Program is currently recruiting advisors for the Journal/Journey Project. This effort pairs Honors Students with faculty, staff, and administrators for a one-on-one exchange, focusing upon the journal as a record of intellectual development. Advisors meet with one student at least once a month to review journal entries. Advisors serve for two semesters; and students receive a single credit on a pass-fail basis. For information, contact Meg Marquis at memarq0@uky.edu.

The Arboretum will hold a Volunteer Orientation on Saturday, February 7th at 10:00 a.m. at the Visitor Center. This provides a chance for volunteers to receive updated information on the Arboretum activities. Contact Hugh Huffman, Volunteer Coordinator, at huffmanph@insightbb.com.

LIMESTONE CROSSING QUERY

There has been some confusion about refund options for people over age 81 at the time of Limestone Crossing's opening. If one member of the couple is 81 or under at moving-in time, then the couple can choose either the 50% or the 95% refund option. However, even if both are over 81, either option is still available, but at a higher up-front premium cost for each.

PARKING PERMIT RENEWAL

Parking permit renewal is from February 1 to March 2, 2009. You must apply during that period to guarantee mail delivery to your home.

To apply, call the office at 257-5757 or order on-line at uk-parking@lsv.uky.edu. This year, retirees will have a special "button" on the on-line information page, so that you will be able to fill in your home address and not your former department.

Remember: only those who retired prior to June 30, 1995 are eligible for free parking. The deadline for renewal is April 1, 2009.
