November 2016

**ABOUT THE SPEAKER**

*by Timothy Sineath*

Stephen Voss is a Louisiana native who began his involvement with electoral politics as a journalist, in which capacity he worked at the 1988 Republican National Convention in New Orleans and also spent two years as a statehouse reporter in Baton Rouge. He ended his reportorial career with Gannett News Service and USA Today by covering the political emergence of former Klansman David Duke. Voss carried that interest in voting and elections – not to mention race, ethnicity, and culture – over to his academic career. He earned a doctorate in Government from Harvard University, working with the eminent quantitative analyst Gary King, and has published a series of research articles related to electoral topics, including congressional districting, racial politics in the South, and, more recently, Kentucky politics. His election commentary appears frequently in local, state, national, and even international media outlets. In fact, the university's public-relations office estimated that UK was mentioned more than a thousand times in 2014 political news as a result of Voss's outreach efforts.

## LETTER FROM YOUR PRESIDENT

Dear Colleagues,

We are well into our new year for the University of Kentucky Emeriti Faculty Association and have enjoyed the success of our initial luncheon and the enjoyable remarks of Alan Stein on "Happily Giving to Lexington and Beyond" at our September 13, 2016 meeting.

November will bring us Election Day-- November 8 2016--and please be reminded that we are meeting earlier this quarter because our usual meeting date would have fallen on Election Day. We want to encourage everyone to vote! Recall that the Board voted to hold the November luncheon on November 1, 2016, so mark your calendars accordingly. Our corresponding board meeting will be earlier as well and will be held on October 27, 2016. Remaining luncheon dates for this year are and November 1, 2016; Feb. 14 and April 11, 2017.

The University of Kentucky Emeriti Faculty Association members continue to encourage graduate students who plan to become university/college faculty by funding competitive fellowships. Thank you to all who have given so generously to this fellowship fund. Three annual awards are given to students chosen by a panel of Association members (Thomas Mullaney, Lee Edgerton, John Greenway and substitute Timothy Sineath) from applications solicited by the Graduate School. Please inform eligible graduate students to check the Graduate School website for applications that are due on October 25, 2016.

Our UKAEF has three principal purposes which include enabling faculty/staff retirees and their surviving spouses to maintain an active relationship with the University of Kentucky; promoting our common interests; and continuing service to the University of Kentucky and its educational goals.

A special thank you to you, our University of Kentucky Emeriti Faculty Association members and to our Board members for their continued dedication and commitment toward meeting the goals of our organization.

Most cordially,  
*Tom Miller, President*

### A CHANGE AT THE TOP

*by Michael Tearney*

If you were in attendance at our September 13, 2016 luncheon, you learned that Mr. Joey Payne is leaving the University of Kentucky. I have worked closely with Joey since 2004 and will miss him dearly. I can attest that he always had our retirees' best interests in mind and helped us in many ways. He is retiring from the University after a 23-year career. He will join a New York City-based consulting firm working with higher education institutions on their retirement plans. Joey will not have to relocate but will be based in Lexington.

Mr. Richard Amos has joined the University and will work with us in the future. I have met him twice and can say I am really looking forward to working with him and am confident we will be in good hands. Richard has over 30 years of experience in HR in roles including Chief HR Officer, Bene-

fits and Compensation. The first half of his career was in health care and the latter half has been in higher education. Most recently Richard was at Baylor University for 16 plus years overseeing compensation and benefits serving employees and retirees. He has a Bachelor of Arts degree from the University of Oklahoma and an MBA from Oklahoma City University. He is also certified as a Senior Human Resources Professional by the Human Resources Certification Institute. Richard is excited to join the UK HR team and UK. Richard plans to attend our November 1 luncheon. Please come meet him at The Boone Center luncheon.

### RESOLUTION OF THANKS TO JOEY PAYNE

Whereas Joey Payne, in his capacity as Benefits Director for the University of Kentucky, has for many years looked out for the interests of retired University of Kentucky faculty members and their spouses;

And whereas, he has communicated often, openly and frankly about the changes in retiree benefits to the University of Kentucky Association of Emeriti Faculty;

And whereas, he has given many a retired faculty member and/or spouse good advice about benefit options and strategies;

Now, therefore, the University of Kentucky Emeriti Faculty Association RESOLVES to heartily thank Joey Payne for all his work on behalf of the association and its members and wishes him all the best in his future endeavor.
