

ASSOCIATE IN ARTS FOR FAMILY SCIENCE

Completion of the following curriculum will satisfy both the requirements for an Associate in Arts at KCTCS as well as UK Core requirements for the University of Kentucky and pre-major requirements for a bachelor's degree in Family Science.

The Family Science program is in the College of Agriculture, Food, and Environment and requires a cumulative GPA of 2.3 or higher.

KCTCS students planning to transfer to the University of Kentucky should work closely with the UK Transfer Advisor each semester to ensure both KCTCS and UK requirements are met.
