

ASSOCIATE IN ART FOR POLITICAL SCIENCE

Completion of the following curriculum will satisfy both the requirements for an Associate KCTCS as well as UK Core requirements for the University of Kentucky and pre-major requirements for bachelor's degree in Political Science.

The College of Arts & Sciences requires that students complete foreign language courses above the university requirement. Students must either: 1) Obtain proficiency through the fourth level of one language or 2) Obtain proficiency through the third level of a language different from that taken in high school. The high school language must have been taken for two years. All students are provided the opportunity to take a placement exam in any language to determine the appropriate class.

KCTCS students planning to transfer to the University of Kentucky should work closely with the UK Transfer Advisor each semester to ensure both KCTCS and UK requirements are met.
