CON PhD Student Dissertation Research Award
This award will be available to CON PhD students who have completed degree requirements and are working on original research to complete their dissertation requirements.
Dissertations must demonstrate a student’s ability to make a significant contribution to the academic discipline of nursing through research and scholarship. Many nursing research projects require financial resources for specialized equipment, data collection and processing and/or other services. Resources to support student research are limited.
Research proposals and budgets must be reviewed/approved by the student’s dissertation committee and the DGS.
