In an effort to implement programming focused on health equity and anti-racism, CHET invites students to reflect on a selected quote and submit a thoughtful essay. Responses should focus on the intersection of health and justice and illustrate the importance of health equity - the fair and just opportunity for everyone to live their healthiest life possible.

Essays will be evaluated on the following criteria:
- Understanding of current injustices in health
- Thoughtful discussion of how to critically intervene to address current societal injustices
- Clear and creative voice
