1. Are you or other health department staff involved in providing tobacco cessation programs?  
   **Franklin**  
   Yes  
   **Kentucky (N=54)***  
   54 (100.0%) Yes

2. If “Yes,” what programs do you provide?  
   a. Fresh Start (American Cancer Society)  
      **Franklin**  
      No  
      **Kentucky (N=54)***  
      11 (20.4%) Yes
   b. Freedom from Smoking (American Lung Association)  
      **Franklin**  
      No  
      **Kentucky (N=54)***  
      1 (1.9%) Yes
   c. Cooper-Clayton Method to Stop Smoking  
      **Franklin**  
      Yes  
      **Kentucky (N=54)***  
      50 (92.6%) Yes
   d. Make Yours a Fresh Start Family (American Cancer Society)  
      **Franklin**  
      Yes  
      **Kentucky (N=54)***  
      37 (68.5%) Yes
   e. Quit and Win  
      **Franklin**  
      Yes  
      **Kentucky (N=54)***  
      31 (57.4%) Yes

3. If “Yes,” how many tobacco cessation programs were offered within the last year? (Entire programs, not individual classes)  
   **Franklin**  
   5  
   **Kentucky (N=54)***  
   Mean = 4.7 (SD = 3.5)

4. If “Yes,” how many clients/patients participated in tobacco cessation programs within the last year?  
   **Franklin**  
   150  
   **Kentucky (N=54)***  
   Mean = 72.4 (SD = 79.1)

5. If “Yes,” how many clients/patients completed tobacco cessation programs within the last year?  
   **Franklin**  
   70  
   **Kentucky (N=54)***  
   Mean = 41.5 (SD = 65.7)

6. If “Yes,” what is the job title of health department staff providing tobacco cessation (Check all that apply)?  
   a. Health Educator  
      **Franklin**  
      Yes  
      **Kentucky (N=54)***  
      34 (63.0%) Yes
   b. Nurse  
      **Franklin**  
      Yes  
      **Kentucky (N=54)***  
      36 (66.7%) Yes
   c. Social Worker  
      **Franklin**  
      No  
      **Kentucky (N=54)***  
      5 (9.3%) Yes
   d. Physician  
      **Franklin**  
      No  
      **Kentucky (N=54)***  
      3 (5.6%) Yes

7. On average, how many requests for tobacco cessation does your health department receive per month?  
   **Franklin**  
   5  
   **Kentucky (N=54)***  
   Mean = 8.0 (SD = 14.3)

Participation rate = 98.2%
8. According to our records, 47 people in your area participated in the Quit & Win Tobacco-Free Contest. To the best of your knowledge, about how many people involved in your cessation programs also participated in Quit and Win?  
   Franklin | Kentucky (N=54)*  
   --- | ---  
   22 | Mean = 4.4 (SD = 11.3)  

9. Within the past year, have any Cooper-Clayton Method to Stop Smoking programs been provided in your service area?  
   Franklin | Kentucky (N=54)*  
   Yes | 50 (92.6%) Yes  

10. If “Yes,” how many people in your service area are trained to provide Cooper-Clayton programs?  
   Franklin | Kentucky (N=54)*  
   8 | Mean = 5.1 (SD = 8.2)  

11. Within the past year, has your health department provided education programs on tobacco cessation for health care providers?  
   Franklin | Kentucky (N=54)*  
   Yes | 30 (57.7%) Yes  

12. If “Yes,” about how many programs did you provide?  
   Franklin | Kentucky (N=54)*  
   2 | Mean = 2.6 (SD = 2.8)  

13. Does your health department have a tobacco-user identification system (e.g. tobacco use as a vital sign, flagging the charts)?  
   Franklin | Kentucky (N=54)*  
   Yes | 45 (84.9%) Yes  

14. If “Yes”, is the tobacco-user identification system used for every patient at every clinic visit?  
   Franklin | Kentucky (N=54)*  
   Yes | 38 (82.6%) Yes  

15. What kinds of educational methods are used for tobacco use cessation in your health department?  
   a. Formal group classes  
      Franklin | Kentucky (N=54)*  
      Yes | 45 (83.3%) Yes  
   b. Individual counseling  
      Franklin | Kentucky (N=54)*  
      Yes | 52 (96.3%) Yes  
   c. Audio-visual materials  
      Franklin | Kentucky (N=54)*  
      Yes | 47 (87.0%) Yes  
   d. Printed materials  
      Franklin | Kentucky (N=54)*  
      Yes | 54 (100.0%) Yes  
   e. Posters  
      Franklin | Kentucky (N=54)*  
      Yes | 48 (88.9%) Yes  

16. Does your clinic have self-help materials for tobacco use cessation available in every exam room?  
   Franklin | Kentucky (N=54)*  
   Yes | 38 (70.4%) Yes
