AN ORDINANCE RELATING TO THE PROHIBITION OF SMOKING INDOORS

BE IT ORDAINED by the Fiscal Court of the County of Oldham, Commonwealth of Kentucky as follows:

WHEREAS, secondhand smoke is a Group A carcinogen, such as asbestos, radon gas and benzene and has been proven to cause cancer at levels which secondhand smoke is typically found, and

WHEREAS, Numerous studies have found that tobacco smoke is a major contributor to indoor air pollution. Breathing secondhand smoke is a cause of disease in healthy nonsmokers. These diseases include heart disease, stroke, respiratory disease and lung cancer. Children exposed to secondhand smoke have an increased risk of respiratory infections, sudden infant death syndrome, developmental abnormalities, and cancer.

WHEREAS, a significant amount of secondhand smoke exposure occurs in the workplace and employees who work in smoke-filled businesses suffer a 25-50% higher risk of heart attack and higher rates of death from cardiovascular disease and cancer, as well as increased acute respiratory disease and measurable decrease in lung function.

WHEREAS, the U.S. Surgeon General has determined that the simple separation of smokers and nonsmokers within the same air space may reduce, but does not eliminate, the exposure of nonsmokers to secondhand smoke.

WHEREAS, The Environmental Protection Agency and the American Society of Heating, Refrigeration and Air Conditioning Engineers has determined that secondhand smoke cannot be reduced to safe levels in businesses by high rates of ventilation. Air cleaners, which are only capable of filtering the particulate matter and odors in smoke, do not eliminate the known toxins in secondhand smoke.

WHEREAS, the Environmental Protection Agency, the Department of Health and Human Services, the National Cancer Institute, and the Centers for Disease Control and Prevention, agree that secondhand smoke is harmful to health, and

WHEREAS, the Oldham County Fiscal Court’s first obligation is to protect the lives of the citizens of Oldham County, and

Accordingly, the Oldham County Fiscal Court adopts the foregoing as justification for this ordinance, the purpose of which is

(1) To protect the public health and welfare by prohibiting smoking in public places and places of employment; and
(2) To recognize and guarantee that the public’s need to breathe smoke-free air shall have priority over the individual’s desire to smoke.
1. DEFINITIONS

For the purpose of this ordinance, the following definitions shall apply:

(a) Dwelling: Any place used primarily for sleeping overnight and conducting activities of daily living, including, without limitation, private residences, a hotel or motel room or suite or a hospital, hospice or nursing home room, but not a hotel, motel, hospital, hospice or nursing home lobby, common elevator, common hallway or other common area.

(b) Enclosed Area: All space in a structure enclosed from the weather, whether or not windows or doors are open, which is closed in overhead by a roof or other covering of any material, whether permanent or temporary, and has 80% or more of its perimeter closed in by walls or other coverings of any material, whether permanent or temporary. If a person or organization leases or possesses only a portion of an enclosed area, the term "enclosed area" applies to the leasehold or possessory interest as well.

(c) Place of Employment: An enclosed area under the control of a public or private employer that employees normally frequent during the course of employment, including, but not limited to, work areas, employee lounges, restrooms, conference rooms, meeting rooms, classrooms, employee cafeterias and hallways. A private residence is not a “place of employment” unless it is used as a childcare, adult day care, or health care facility.

(d) Private Organization: An establishment without paid employees, which maintains selective members, is operated by the membership, does not provide food or lodging for pay to anyone who is not a member or a member’s guest and is not profit oriented.

(e) “Retail Tobacco Store” means a retail store utilized primarily for the sale of tobacco products and accessories and in which the sale of other products is merely incidental. The sale of such other products shall be considered incidental if such sales generate less than 50% of the total annual gross retail sales.

(d) All enclosed areas owned, leased or operated by the County of Oldham Kentucky shall be subject to the provisions of this Ordinance.

(e) Nothing in this subchapter shall prevent an owner, lessee, principal manager or person in control of any place, including, without limitation, any enclosed area, motor vehicle, outdoor area, or dwelling, from prohibiting smoking completely in such place. Within such premises as an authorized nonsmoking designation has been made and signage is posted, smoking shall be prohibited as if otherwise prohibited by Section 2(a) of this Ordinance.

(b) An employee who continues to work in a setting where an employer allows smoking in violation of this Ordinance does not waive or otherwise surrender any legal rights the employee may have against the employer or any other party.

4. PENALTIES.

(a) A person who smokes in an area where smoking is prohibited by the provisions of this Ordinance shall be guilty of a violation, punishable by a fine not exceeding fifty dollars ($50.00).

(e) Violation of this Ordinance is declared to be a public nuisance, which may be abated by the County or its designated agents by restraining order, preliminary and permanent injunction, or other means provided for by law.
