

Behavioral Standards

UK HealthCare recognizes the patient as our premier customer and promises to provide excellent customer services to patients, colleagues, co-workers and all others who seek our services. By requesting an observation and/or learning experience with UK HealthCare, I am indicating my commitment to service excellence and expressing my agreement to consistently recognize that:

- Our customer is every person we come into contact with during our workday.
 - Service is being flexible, courteous and respectful while anticipating and fulfilling the needs of our customers.
 - Quality is the foundation of everything we do. It is our desire to provide exceptional service to every patient and customer we serve.
 - Careful, efficient and responsible management of our resources is vital to our success.
 - We want to attract, develop and retain highly skilled and competent individuals, which will in turn achieve customer loyalty and promote the growth of UK HealthCare.
