How to get started:
Create an account on Castle Branch
Go to https://uky-health.castlebranch.com/UK3

Select “College of Health Sciences”

Select your major (Medical Laboratory Sciences)

Select “I need to order my initial Background Check, Drug Test, and Medical Document Manager

You will then be directed to review your order, and then enter your personal details

The cost is $95
Your background check will begin immediately upon purchasing.

Instructions for your Drug Screening will be provided within your Castle Branch “To Do List” within three business days. You will be able to download the registration form and locate a LabCorp near you to process the specimen. It is your responsibility to make sure that you allow enough time for us to receive the result prior to the start of courses.
Clinical Requirements
You must provide a copy of your current health insurance card or proof of coverage.
You will need to get a flu shot for the **current flu season SEPT 1 – MARCH 31**.

Any flu shot administered outside of the current flu season will be rejected.

**This document is due no later than November 1st.**

Note that this document will look a little different depending on where you get your flu shot.

(must renew every year)
You must turn in ALL your immunization records (TB, Hepatitis B, MMR, Varicella, and Tdap) to University Health Services and get the one-page Compliance Form, which looks like this.

- You can do this in-person or online.
- Appointments may be made by calling 859-323-2778.
Compliance Form

- You can get your compliance form online by uploading your immunization records to your MyUK health portal.
- Go to your MyUK and select “myInfo” and “Student Health.”
- You can select “Upload” on the Medicat toolbar and upload your immunization records.

Once your immunization records are uploaded, you will need to email uhsnurse@uky.edu and alert them that the forms have been uploaded and that you need a compliance form.
There is a “Compliance Immunization Worksheet” that will help you prepare all your immunization records. It can be found by selecting “forms” and then “Health Science Compliance Immunization Worksheet.”

THIS IS NOT YOUR COMPLIANCE FORM. IT IS JUST A TOOL TO HELP YOU PREPARE YOUR DOCUMENTATION.
Tuberculosis Test

- You must obtain a TWO-step TB test. Each year you will have to renew it with a one-step TB test.

- For this requirement: **UPLOAD YOUR COMPLIANCE FORM AGAIN.** It needs to show your name and the word “compliant” next to “TB Screen.”
Commitment to Behavioral Standard in Patient Care

- In Castle Branch, there is a link to this document. Follow this link or click here to go to the document.
- You will need to print, read, and sign this document. Then, scan it and upload it for the requirement.

HIPAA and Discrimination and Harassment Trainings

Go to this link and enroll in the Canvas course. (NOTE: You will need your LinkBlue ID and password to do so. If you do not yet have it, you will have to wait until you do.)

Go to “Assignments.” You will find the HIPAA training presentation and quiz. Before beginning the quiz, carefully read and review all the information in the presentation. When you are familiar with the material, take the quiz. You will have multiple attempts, but you MUST receive a 100% in order to get credit.

Follow the same instructions for the Discrimination training.

When both are complete, go to the “Grades” tab. You will then select the “Print Grades” option. Save the document as a PDF (you only need the first page that displays the two grades and your name).

Upload this PDF for BOTH the HIPAA and Discrimination training requirements in Castle Branch.
The document you upload for the HIPAA and Discrimination trainings should look like this:

You will receive more information about the following trainings in August:

- Chemical Hygiene (Lab Safety) Training
- Hazardous Waste Training
- Bloodborne Pathogens Training
- Fire Safety Training
Important Notes

- **Pay attention to due dates!** If you do not complete the requirements in time, a hold could be placed on your UK account.

- If Castle Branch rejects one of your submissions, promptly address this. They will provide a reason for the rejection. If you still do not understand why a document is not being accepted, you can contact Tammy Jo Edge at tammy.edge@uky.edu

- Occasionally, flu shots get rejected if the flu season is not explicitly stated on the document. It is preferable for the date to be written on the document prior to uploading, but this can be overridden by Tammy Jo Edge if necessary. CHECK FIRST to see if this is the reason a flu shot is rejected.
