

**Review Sheet for External Grant Proposal Review Program  
UK College of Health Sciences  
Office of Research and Scholarship**

Please provide a score and substantive comments in each box. (Comments can be typed directly into the box.)

<b>Name of Reviewer:</b>	
<b>Name of Investigator:</b>	

**OVERALL IMPACT**

Reviewers should assess the likelihood for the project to exert a sustained, powerful influence on the research field(s) involved. An application does not need to be strong in all categories to be judged likely to have major scientific impact.

**Overall Impact:** *Write a paragraph assessing the likelihood for the project to exert a sustained, powerful influence on the research field(s) involved. Provide an overall impact score.*

<b>Impact Score:</b>	

### SCORED REVIEW CRITERIA

Reviewers will consider each of the review criteria below in the determination of scientific and technical merit, providing feedback on both the strengths and weaknesses of each section.

<b>Significance</b>	
<b>Strengths</b>	
<b>Weaknesses</b>	
<b>Significance Score:</b>	

<b>Investigators</b>	
<b>Strengths</b>	
<b>Weaknesses</b>
