Research Advisory Committee - Meeting Minutes

When: September 20, 2023; 3:00-4:00pm

Location: 214B CTW

Attendees: Brian Noehren, Leslie Woltenberg, Richard Andreatta, Kirby Mayer, Ming-Yuan Chih, Nick Heebner, Olivia Brown

Purpose: For the CHS RAC to meet on a monthly basis and interface between the CHS ORS. To explore existing and future research topics with other researchers and scientists. Identify new and innovative tactics, techniques and procedures and implement them as necessary for academic leadership's ability.

Agenda Discussions:

1. Updating the description/title of the RAC
   a. Discussions of updating language to reflect actual RAC procedures and policies.

2. Equipment Grant Competition Updates
   a. ORS will run the same procedures as the prior year.

3. Research Day Updates
   a. CCTS are to provide busses for transport from Rose Street to Central Bank Center.
   b. CHS day timeline proposals and revisions, poster session/abstract call discussions and planning, invited speaker planning.

4. Open discussion and feedback for CHS Research meetings
   a. Scientific Writing resources from September CHS Research meeting to be distributed to faculty.

5. Open discussion or feedback

Next Meeting: October 18th, 2023
