Virtual Stroke Interactive Event

June 15, 2021 | 2:00 pm-3:00 pm | Zoom

The purpose of this interactive virtual event is to discuss multiple topics related to adaptive activities for individuals who have had a stroke and their caregivers. This interactive virtual event will include both video and live content. This virtual event will also briefly introduce an in-person stroke camp that will occur in rural Appalachian Kentucky in the Fall 2021.
