All the information provided is correct to the best of my knowledge. I authorize the following: the release of any medical or other information with respect to this vaccine to my healthcare providers, Medicare, Medicaid, or other third-party payer as needed and request payment of authorized benefits to be made on my behalf to UK HealthCare Pharmacy Services. If my insurance does not cover the cost of administering the vaccine at the pharmacy, then payment must be made at the time of the administration of the vaccine or a bill can be sent to me and I agree to pay according to the credit terms of the pharmacy. I acknowledge that my vaccination record may be shared with federal or state agencies for registry reporting; and that the pharmacist recommends remaining in the waiting area for 20 minutes after receiving the vaccine. **If doing curbside/drive-thru vaccination where available, I understand it is still recommended to remain nearby for 20 minutes and to quickly notify the pharmacy staff of any reactions.** I have had the opportunity to ask questions that were answered to my satisfaction and understand the benefits and risks of the vaccine(s). I consent to, or give consent for, the administration of the vaccine(s). I fully release and discharge UK Healthcare Pharmacy Services, it affiliates, their officers, directors, and employees from any liability for illness, injury, loss, or damage that may result therefrom. **I have read or have had read to me the Vaccination Information Sheet (VIS) regarding the vaccine(s), and I hereby acknowledge receipt of the vaccines shown below. For a new patient to the pharmacy, I acknowledge that I have received the Notice of Privacy Policy.**
