	Submit a New Audit

5. The audit is currently processing the student's classes and putting them into the correct requirements. This page might refresh several times before the finished audit appears on the screen. (Approximately 10 to 60 seconds)

6. The audit now appears in the list of completed audits and is ready to view. Note that this list will keep the last ten audits that have been run on any one student with the most current audit on top. Click on "Open Audit" to view the audit for this student. (See Figure 5)
