

UNIVERSITY OF KENTUCKY WORKFORCE COMPOSITION BY SEX AND MINORITY STATUS

The University of Kentucky offers this analysis of the composition of the workforce expanding on the numerical utilization analysis by the thirteen major job groups for women and minorities (student positions are not included in these analysis). Details in areas of numerical underutilization are included. As indicated this analysis includes all minority groups as required by Executive Order 11246.

Administrators and Employment Services personnel are made aware where there are areas of underutilization. Suggestions are made to both groups for affirmative recruiting in particular job groups. In areas where expected progress toward a goal is not being made and where there are no clear indicators for further affirmative action, closer inspection of the hiring decisions may be undertaken.

Women at the University of Kentucky:

- Currently represent 64.5% of the total workforce.
- Hold 45.8% of the positions in the Executive, Administrative, and Managerial (EAM) job groups. As a whole 44.9% of the applicants were women and 72.2% of the appointments. The EAM job groups will be considered separately at the suggestion of the OFCCP.
