

UK Recycling's Big Blue Crew Volunteer Information

When and Where: Meet at BCTC lawn (see attached map below). Your shift will be emailed to you 2 weeks prior to your volunteer date. You are expected to show up rain or shine, but we will provide you with ponchos if it is raining.

Duties: We ask you to supply 10-15 volunteers for the event. Volunteers will be paired off and assigned to a parking lot (Green, Blue, Red, Orange or Purple Lot) to interact with patrons and hand out recycling and landfill bags and give-a-ways. We will give you more specifics on how this will look and work the day of. Each volunteer is expected to wear the provided recycling T-shirt and stay for the entire shift.

Volunteer Form: Please fill out and return the volunteer form at least one week before the game. If the volunteer form is not returned by this time, we will take it to mean your group is no longer interested in the event.

Dress: Every volunteer will receive a free t-shirt to wear the day of so that we are easily identifiable; these will be passed out upon arrival. Wear durable shoes and weather appropriate clothing, but feel free to be comfortable!

Donations: If you supply 10-15 volunteers, your organization will receive a \$500 donation. If you commit to providing the minimum of 10 volunteers and less than 10 show up on game day, the donation will be reduced (\$50 per volunteer not present). If you can only supply 5-7 volunteers, you can be scheduled with another small organization and will still receive \$250.

This donation will be awarded through an invoice request to UK Recycling followed by a check made out to your organization. If you work multiple games, please only send us one invoice with the total donation amount.

Swag: At the event, you'll be given your t-shirt and a free meal card.
