

Office of Student Financial Aid
2020- 2021 Appeal for Independent Status RENEWAL

Student Name: _____ **UK Student ID:** _____

Federal financial aid regulations dictate the criteria under which a student applies independently of parents for financial aid. Occasionally, however, extraordinary individual circumstances allow a student to file as an independent without meeting the FAFSA criteria. Examples of situations where dependency overrides may be approved include but are not limited to documented parental drug abuse, parent mental incapacity, physical or emotional abuse or neglect, and parental incarceration. Requests for dependency overrides are made on a case-by-case basis.

The circumstances listed below do not qualify as unusual and special circumstances and do not merit a dependency override:

- Your parents do not want to provide their information on your FAFSA; or
- Your parents refuse to contribute to your college expenses; or
- Your parents do not claim you as a dependent on their income taxes; or
- You do not live with your parents

Note: When you are not able to provide parental information on the FAFSA because the conditions above apply, you may file your FAFSA without parental information. In this instance, the only financial aid available to you through federal financial aid programs would be a Federal Direct Unsubsidized Loan. For consideration of a Federal Direct Unsubsidized Loan under this situation, you must sign this form and submit a letter explaining your circumstances indicating all situations that apply to you. Attach any supporting documentation. You may also consider a private educational loan at seeblue.com/fastchoice. You most likely will need a credit-worthy co-signer for approval.

Step 1: Complete a 2020-21 FAFSA at fafsa.gov. Submit your dependency appeal after submitting your FAFSA.

Step 2: Tax filing status

1) Did anyone claim you on their 2018 federal income tax return?

No

Yes- Person's Name: _____ Relationship to you: _____

2) Did anyone claim you on their 2019 federal income tax return?

No

Yes- Person's Name: _____ Relationship to you: _____

Step 3: Please attach the following documentation:

If you were granted an approved independent appeal at UK in 2019-2020 please attach a statement including the following information. A renewal does not guarantee approval, as a decision will be made after the review of your current status.

- Submit an updated letter detailing the special circumstance that make you independent from your parents. Please be sure to address the following items.
 - (1) The nature of your relationship with your parent(s).
 - (2) Provide the date and place of your last contact with your parent(s).
 - (3) How have you been supporting yourself?
 - (4) Please make sure you have your name and ID number on the top right-hand corner of the letter you submit for renewal.

Step 4: Signature

I certify that the information I submit with this appeal is true and correct. I also understand that the Office of Student Financial Aid and Scholarships' decision is final and cannot be appealed to the U.S. Department of Education. I understand that misrepresentations of facts in connection with this override, whenever discovered, may be enough, in and of itself, for cancellation and repayment of financial aid.
