Important Financial Aid Questions:

Q: What Financial Aid is available for Summer courses?

A: For Federal Direct Loans, the availability of Summer aid is determined by any remaining eligibility you may have from the 2019-2020 academic year. (See loan limits on the back of this page).

Depending on enrollment, and FAFSA information, you may be eligible for the Federal Pell Grant. Either 2019-2020 or 2020-2021 FAFSA information may be used to determine eligibility.

Q: What if I drop, or withdraw, from my Summer courses?

A: If you register for classes and receive aid but do not complete the hours, you may be required to repay all or a portion of the funds you received. It is important to attend, participate and actively engage in all courses as instructors will confirm this. Failure to do so can lead to being dropped with “N” grades.

Q: Is there a specific date in which I should be enrolled in all my Summer courses?

A: Students should make every effort to be enrolled in all the classes they plan to take by mid-June. This allows for student to be considered for the maximum amount of financial aid, specifically Federal Pell Grant for those who qualify. The summer Pell Recalculation Date (PRD) is June 11, 2020. If a student adds to their courseload after June 11th, they cannot receive additional Pell Grant funds (this includes students using consortium agreements).

Q: When will I be able to view my Financial Aid for Summer?

A: You will be offered your Financial Aid once you have enrolled in your Summer courses. You will be able to view and accept your awards on your MyUK under 'Financial Aid'>'2019-2020'. You will receive an email once it becomes available.

Q: Can I increase my Summer Financial Aid budget for childcare?

A: Yes, fill out 'Section D' of the 2020 Summer Financial Aid Application. You must provide documentation of childcare from the provider when submitting your application.
