Chapter Visitation Policy
Spring 2021
visitation will only be allowed to all members and advisors if testing results, and lack of community spread of the virus continues to show that it is safe to proceed.
RESIDENT VISITATION

- Chapter facilities may have a total of 10 guests at a time in the house.
- Guests will be limited to active and new chapter members, house corporation officers and chapter advisors.
- Guest must be actively participating in the university’s daily screening program and monthly testing process.
- Masks and physical distancing practices must still be observed in the common areas.
- Guests would not be permitted in resident's rooms but can visit common areas of the home (i.e., dining, study rooms, media rooms, craft room, chapter room, etc.).
Each organization will need to designate one entrance/exit for all incoming guests. Signs should be posted at all entrances/exits directing guest to the designated entrance.

The specified entry point should have a guest check-in/check-out log, hand sanitizer and masks.

The guest log will need to be collected each week by a designated point person who will upload log to BBNvolved by each Friday at noon.
RESIDENT VISITATION

- Guest logs will be accessed by Health Corps for contact tracing purposes.
- Guests will not be allowed when meals are being served.
- Recruitment events involving potential new members will not be allowed due to the potential high exposure.
- Recruitment events involving potential new members will not be allowed due to the potential high exposure.
- Events planned on chapter property must be submitted through University Events following the event registration process.
  - This would include house tours for potential members and meetings that involve out of house members/alumni.
