

Faculty Proposed Course Agreement Form*

*Previously Course Conversion Form

Faculty across the university are encouraged to propose an Honors supplement to augment their regular course in order to provide a deeper inquiry into course material for Honors students, such that the course can be used to satisfy an Honors requirement. This form allows for a faculty member to propose specific course work, or Honors supplement, which applied to their course can be used as a course agreement. Faculty are invited to submit a Faculty Proposed Course Agreement Form with the same deadline required by the student proposed course agreement form (the second Friday of the semester). In addition, faculty are encouraged to submit the form prior to priority registration for the class in order to specifically recruit Honors student to their course. Additional details about Honors Course Agreements can be found at www.uky.edu/honors/honors-course-conversion.
