Student Signature: _____ Date: _____

For Faculty

____ I have met with the student and discussed this topic with the student. It is my intent to support the student as described in the subsequent Honors thesis Course.

____ I realize that after the proposal has been completed, I will be asked to verify that the length and scope of this project is appropriate for an Honors thesis from my discipline/department.

____ I understand that I will be asked to grade this project and confirm completion of the oral presentation.
