### A note about CIS/WRD 112 “Accelerated Composition and Communication”

CIS/WRD 112 is not an Honors course and cannot be substituted for a required Honors course. Students satisfying Composition and Communication I & II for UK Core with transfer courses or through alternative means are not required to complete CIS/WRD 112. Students with transfer courses satisfying only part of Composition and Communication I and II have the option to complete the remaining courses needed at UK or through CIS/WRD 112.
