August 14 – 18 are “assisted” move-in days. From 9:00 a.m. to 4:00 p.m., there will be traffic control, unloading tables at the curb, and the ability to check-out carts. All other move-in days are “unassisted,” meaning there will not be traffic control and you will need to check-out a cart from the front desk of your residence hall. Unloading tables will still be available at the curb. For all move-in days, it is recommended that you bring your own cart and/or dolly as well. A limited number of carts will be available to checkout. Please check with your respective LLP, group, or department to confirm dates, times, and logistics.

**For planning purposes, please be aware that the Bluegrass airport will be CLOSED August 19-22**

Move-In Appointments

What is a “Move-In Appointment”? It is a “window” of time for arriving at the unloading area during Fall Move-In. The purpose is to “spread out” the arrivals throughout the day. Students have a one-hour Move-In Appointment “window.” Move in appointments will be available to select beginning June 15.
